

## THE CAMPAIGN FOR DRUMLIN FARM

### Your Name Here?

The Campaign for Drumlin Farm is closing in on its \$3.2 million goal! With less than \$100,000 left to raise in the Campaign, you can make an enormous difference with your gift.

Naming opportunities are a wonderful way for you to help us while honoring someone special. Your contribution lets you see your name or the name of a loved one down on the farm, while showing your strong support for the mission of Drumlin Farm and Mass Audubon.

Please consider honoring a friend or family member with:

- their name on a plaque in the Pig Barn or Sheep & Goat Barn for \$1,000
- an outdoor Bench for \$5,000
- the Pig Barn with a gift of \$75,000
- the Welcome and Admissions Area for \$100,000
- the Demonstration Kitchen in the Farm Life Center for \$75,000
- the renovated Farm Life Center for \$250,000

Other naming and recognition opportunities can be designed as well - we welcome your ideas!

If you are interested in a naming opportunity for any area at Drumlin Farm, please contact Campaign Manager Henrietta Yelle at 781-259-2239 or [hyelle@massaudubon.org](mailto:hyelle@massaudubon.org).
