Nature Day Camp—AGE GROUPS and FEES

AGES 3 - 12... See the age group descriptions below!

About Nature Day Camp... Let beautiful Moose Hill Wildlife Sanctuary be your child's neighborhood play space! Our goal is to connect children to nature and let them have fun through a blend of outdoor explorations, non-competitive games, focused activities, walks/hikes and crafts. On warm days, we play water games like "Drip, Drip, Splash" and keep to the shaded forest.

Each age group of Nature Camp enjoys different daily topics though all groups enjoy the same weekly theme. The content and objectives are different at each level with the goal to deepen each child's knowledge and awareness throughout the summer and over the years.

Campers are welcome to attend all 12 different weekly sessions, each with its own theme. Dates and themes are described on the next page.

ABOUT US: Moose Hill Camp began in 1949 and is located at Mass Audubon’s Moose Hill Wildlife Sanctuary. We provide a welcoming environment with fewer than 120 campers each week. Campers are encouraged to play with siblings and other children of different ages during free play periods. The camp is held primarily out-of-doors and the nature center is used for rainy moments. The 20 miles of trails and varied habitats of the sanctuary are ours to explore.

CAMPER REQUIREMENTS: Due to the outdoor and exploratory nature of our camp program, campers must be able to move about on uneven terrain. Campers are expected to participate meaningfully in age-appropriate activities, including nature study. All campers must follow stated behavior expectations and safety rules. If you have any questions regarding your child’s ability to participate fully in our camp program, contact the camp director.

AGE/GRADE: Camp age is determined as of June 15. Pre-school Peepers must be 3 and potty-trained. Discoverers must be 4 prior to January 30th and entering kindergarten. Campers are grouped by age depending on enrollment.

STAFF and RATIOS: Camp director, Kay Andberg, has been with us since 1993. Her children grew up at Moose Hill Camp and she wants yours to enjoy the same quality programs. Staff are selected for their maturity and caring attitude towards children. Most are college students majoring in science or education. All staff undergo background checks and training in safety, child development and nature study. The few junior staff that are hired are selected for their maturity and are paired with instructors. Instructors are certified in first aid and CPR. Two staff lead off-site programs.

BUDDY REQUESTS are intended for children who would otherwise feel too uncomfortable to attend camp. One request per camper is honored when possible and only if made in writing at least one week prior to the session start. Campers must be the same age as of June 15 and both must request each other.

CAMP LICENSE: We are licensed by the Sharon Board of Health and comply with the regulations of the Department of Public Health. We are accredited by the American Camp Association and adhere to its additional safety standards.

POLICIES: You may request a copy of our staff background check, healthcare, discipline, bullying and grievance policies.

MEMBERSHIP helps to meet our mission—Protecting the Nature of Massachusetts and connecting children to nature. To receive the member rate, your membership of family-level or higher, must be current through your last session. You can join or update your membership on the camp registration form.

FINANCIAL ASSISTANCE: Moose Hill provides financial assistance to campers based on demonstrated economic need and available funds. Financial assistance is limited to one session per child. The majority of funds are reviewed on April 25th. Contact us for an application.

PAYMENT PLANS: Please contact the camp office if you would like to discuss a payment plan.

DEPOSITS of \$75 per week are required. All deposits are non-refundable. See the transfer policy below. When registering after May 15th, payment is required in full. It is your responsibility to know your school calendar.

DEADLINE: All health forms and the balance of your fees are due on or before **May 15th**, unless special arrangements are made with the Camp Registrar. Those registering after May 15th pay in full and a specific form deadline will be set. A **Late Fee** of \$20 per camper is automatically accrued for any late or incomplete forms and/or payments. No camper is allowed in camp unless all health forms, waivers and payments are complete. If deadlines are missed, we cannot guarantee your spot.

TRANSFER POLICY: Transfers are allowed up to 4 weeks prior to a session start, after which time there are no transfers. A \$25 fee is charged for each session transferred.

REFUND and CANCELLATION POLICY: Refunds are not made for dismissal, failure to attend, absence or sick days. All cancellations must be made in writing. If you cancel prior to May 15th, you will be given a full refund minus the deposit.
