

FREQUENTLY ASKED QUESTIONS

We are excited that you are thinking about sending your child to our camp. Here are some answers to the most commonly asked questions.

CAMP PROGRAM

1. What makes Mass Audubon's Wellfleet Bay Natural History Day Camp different than other camps?

Our camp is all about nature. Each week we explore a different nature theme from mammals and marine habitats to insects and freshwater ponds. Campers will spend their day exploring our 1,100-acre coastal sanctuary. Activities, projects, games, crafts, and stories are all incorporated into the camp day. Older campers will have opportunities to go on boat cruises, kayak, snorkel, and take part in on-going research projects.

2. What is the facility like? The Sanctuary? The 1,100-acre Wellfleet Bay Wildlife Sanctuary offers outstanding opportunities for exploration and discovery of the natural world, from forest and field to salt marsh, sandy beach, and tidal flats; from turtles and terns to minnows and butterflies. Five miles of trails, including an all-persons accessible trail, traverse eight different habitats representing the diversity of Cape Cod. Our new LEED-certified green nature center also offers campers the chance to learn about alternative energy, such as solar and wind energy.

3. When does camp start? End?

Each camp session is one week long, Monday - Friday. The first session begins on June 18 and the last one ends on August 31. Our first Half-day sessions begin at 9 a.m. and end at 12:30 p.m.; full-day sessions begin at 9 a.m. and end at 2:30 p.m. The first week of camp (June 18 – 22) we offer a half-day session for all age groups. Throughout the rest of the summer we offer half-day and full-day sessions for the Discoverers, Adventurers, and Explorers groups and full-day sessions only for the Naturalists and Ecologists groups.

4. How old does my child need to be in order to attend?

Campers must be age 4 by April 1 of the camp year. There are no exceptions to this policy.

5. Are most children who attend from Cape Cod?

Our campers origins are diverse. Some live here year-round, while others may be on vacation for just a week or for the whole summer. . We've had campers from Wellfleet, Boston, New York City, California, and many other places around the U.S. and the world! We offer a Cape Cod resident discount to those campers who can show proof of enrollment in a Cape Cod school.

6. How many weeks do most children sign up for?

Most sign up for one or two weeks. We have had camper sign up for multiple weeks, and even the whole summer!

7. Do you have camp on July 4?

Yes, we do (unless it is a Saturday or Sunday).

8. How do you determine what group my child will be in?

Campers are placed into groups according to what grade they are entering.

9. What do the campers do throughout the day?

Campers will spend most of the day outdoors exploring the 1,100-acre sanctuary. They will walk the trails and also head off the trails in some places. Instructors will help campers catch fish and crabs with dip nets, collect aquatic insects with nets, listen for frog calls, follow mammal tracks, look for owl pellets and other signs of animals, catch butterflies and grasshoppers in nets, hold a box turtle, and comb the beach for shells, hermit crabs, and much more. Older campers (entering grades 4 and up) will also go off-site in 7, 8, and 12-passenger vans, driven by the instructors. Each field trip is unique and is described in the brochure and in a letter you will receive in May.

FREQUENTLY ASKED QUESTIONS

10. Will I have a chance to participate or to see my child in camp?

This year we are offering Family Hikes. These hikes will take place on Wednesday mornings from 8-8:45AM. No pre-registration is required and the hike is open to all family members. You can also check out our camp blog, which features photos and short journal entries about camp activities; our camp blog is updated almost daily in the summer. You will get the address and password on the first day of camp.

11. Do campers have a chance to swim during the day?

No. Swimming is not allowed on the Sanctuary. Older campers (entering grades 6 and up) will have a chance to snorkel during some their camp weeks. This will be noted in the brochure.

STAFF

12. What background or experience do the camp instructors have?

Our staff members are chosen for their enthusiasm, experience, knowledge, and ability to work with children in the outdoors. The staff are college graduates or current undergraduates in an environmental and/or educational field. Each participates in a week-long pre-camp training and is certified in First Aid and CPR..

13. What background or experience does the Day Camp Director have?

Emily Wolfe, Day Camp Director, has been involved with the Wellfleet Bay Natural History Day Camp since 2007 when she started as a Day Camp Instructor. She taught camp for two years and became the Assistant Director in 2009. This will be her sixth summer with the camp, and second year as the Day Camp Director. She has a Bachelor's degree in Environmental Studies. She is certified in Wilderness First Aid, CPR for the Professional Rescuer. During the school year, she teaches school, group, and family programs.

Katie Metzger, Assistant Day Camp Director, has been involved with the Wellfleet Bay Natural History Day Camp since 2008 when she started as a Day Camp Instructor. She taught camp for four years and became the Assistant Director in 2011. This will be her fifth summer with the camp. She has a Bachelor's degree in Environmental Science. She is certified in First Aid and CPR for the Professional Rescuer. During the school year she teaches at an after-school program in Boston.

14. What do you cover during camp training?

Our 64-hour staff training covers everything from first aid and safety, camp operating procedures (e.g. thunderstorms, missing child policy, and camper sign-in), best practices for working with children (communication and management), and natural history.

15. What is the ratio of campers to camp instructor?

The ratio depends on the camper's age. We follow Massachusetts and American Camping Association regulations. For campers 6 and under there is a 5:1 ratio of campers to instructor. For campers ages 7 and older there is a 7:1 or 8:1 ratio.

HEALTH & SAFETY

16. What safety precautions does the camp take?

Safety is our main concern at camp. All of our staff must be certified in First Aid and CPR. All staff must carry a radio at all times so there can be communication between the groups, the director, and nature center. All groups carry first aid kits at all times. Any time a group travels off-site they must carry a cell phone and take along a larger travel first aid kit. Day Camp Instructors review each camper's health form the week prior to camp in case there are any allergies or other issues to be aware of. All of these practices help to ensure the safety and well-being of every camp group.

17. How does the camp handle food allergies?

We do not allow children to share their food. If your child has a nut allergy, you would need to notify the Day Camp Director in advance. We would then notify the parents of the other campers in your child's group via email

FREQUENTLY ASKED QUESTIONS

prior to camp and again with a letter on the first day. We will ask them to pack snacks and lunches that are nut-free.

18. How can I best protect my child from ticks?

The best way to protect from ticks is to wear insect repellent and long pants tucked into socks. However, most summer days are very hot and long pants are not recommended. Unfortunately we can't avoid ticks, but we do conduct tick checks throughout the day. Our camp staff ask the children check themselves for ticks, and we recommend that you perform a daily tick check at home.

OFF-SITE TRAVEL

19. What kind of vehicles will the campers travel in? Who will drive them?

Older campers (entering grade 4 & up) will be transported in either a 7-, 8-, or 12-passenger vans. The Day Camp Instructors are the drivers. Prior to camp, each instructor is required to take a driving test in the van with the Day Camp Director and have their license history reviewed by Mass Audubon headquarters.

20. Where will older campers (entering grades 6 & up) snorkel? Canoe/kayak?

Locations for snorkeling, canoeing, and kayaking vary. In 2011, camp groups went to Pleasant Bay in Orleans and Chatham; Little Cliff and Big Cliff Ponds in Nickerson State Park; Lieutenant Island, Wellfleet; and the Provincetown Jetty.

21. Who leads the canoe and/or kayak trips for the older campers (entering grades 6 & up)?

Our canoeing trips are led by MAS Teacher/Naturalist Dennis Murley. He has been leading canoe trips on Cape Cod for over 25 years. Our kayaking trips are led by Dick Hilmer of Explore Cape Cod (www.explorecapecod.com).

REGISTRATION

22. How and when can I register for camp?

Camp registration begins on January 3, 2012. All registrations will be accepted by mail or in person through May 4 and will be stamped with the date of receipt and will be processed on a first-come, first-served basis. For identity safety assurances, fax and email submissions are not accepted. Registration must be accompanied by a credit card number or a check for 50% of the cost of camp. The camp fee includes a \$50 non-refundable and non-transferable enrollment fee per session per child. The balance of the camp fee is due by May 4. If payment is not received by May 4 then you will lose your spot and your \$50 enrollment fee. We will accept registrations through mail, in person, or by phone after May 4. If registering after May 4 your registration must be accompanied by a credit card number or check for the full amount of camp.

23. What information do I need to complete in order for my child to attend camp?

We need a completed registration form, full payment by May 4 (50% at time of registration), three signed waivers, a completed health form (supplied by MAS), and a doctor-signed immunization record in order for your child to attend camp.

24. Is there any financial assistance?

Yes, we are excited to be able to offer the following assistance programs:

Cape Cod Resident Discount

You may receive a \$20 discount for half day or \$40 discount for full day per week per child with proof of enrollment in a Cape Cod school district. A copy of a report card, progress report, or letter from the school will all suffice as proof of enrollment.

Financial Assistance

Financial assistance is available for those who may need it. Please call the sanctuary to request a financial
