Wildlife Sanctuary*
Belmont, MA

Habitat is an ideal place to bring your scout troop. Through hands-on activities, games and outdoor explorations, scouts learn about nature and our place in it. For most programs, we spend the majority of the time outdoors, in all kinds of weather. We have developed many programs based on Boy Scout/Girl Scouts USA requirements to help your troop achieve their badges, but we are also happy to customize a program for your troop. For badge programs, we complete the necessary requirements to earn the badge. Fees include the price of the badges which are distributed at the end of each program.

About Mass Audubon

Mass Audubon works to protect the nature of Massachusetts for people and wildlife. Together with more than 100,000 members, we care for 34,000 acres of conservation land, provide educational programs for 225,000 children and adults annually, and advocate for sound environmental policies at local, state, and federal levels.

Mass Audubon's mission and actions have expanded since our beginning in 1896 when our founders set out to stop the slaughter of birds for use on women's fashions. Today we are the largest conservation organization in New England. Our statewide network of wildlife sanctuaries in 90 Massachusetts communities, welcomes visitors of all ages and serves as the base for our conservation, education, and advocacy work.

To support these important efforts, call 800-AUDUBON (283-8266) or visit www.massaudubon.org.

To Schedule a Program

We plan a program to fit your schedule—weekdays, evenings, even weekends. All programs must be booked at least two weeks in advance. A non-refundable deposit of \$25 is due upon registration.

Programs may be rescheduled due to severe or inclement weather. Refunds will be issued if you notify us of your cancellation at least one week before the program is scheduled.

To schedule a program, please contact Jane Higgins at 617-489-5050, ext. 203, or send an email to jhiggins@massaudubon.org.

Program Fees

Pre-registration is required for all programs. There is a minimum of 8 participants for each program. One adult for every 5 children is free; additional adults will be charged the program fee. For badge programs, the fee includes the related patch/badge.
