## Programs for Scouts: Badge List

Moose Hill specializes in providing outdoor and environmental programs for scouts. Our programs are designed to cover badge and merit requirements for the Girl Scouts USA and Boy Scouts of America. Some of our programs blend perfectly with the entire list of requirements for a specific badge and others are easily adapted to address certain aspects of an achievement or badge. The following is a listing of badges, Try-Its, achievements, etc.... that we cover. For ease and convenience, the requirements we address are indicated as needed. Note: Some of the activities have been adapted to cover the desired content, but may not be executed exactly as outlined in your manual.

### Cadettes, Seniors and Leaders

The sanctuary is a perfect place for executing a troop community service or silver/gold awards. Contact Sanctuary Director, Christine Turnbull for more information or to make arrangements.

Moose Hill staff also offers trainings for leaders. Staff are certified facilitators of Project WILD, Project Aquatic WILD, Project Learning Tree, and National Project WET; and we can offer certification classes for groups of leaders. Call for details on arranging a training.
