Mass Audubon's Wachusett Meadow Wildlife Sanctuary in Princeton invites you to join our qualified staff as they lead Boy Scouts and Girl Scouts through the diverse habitats of our property. The Sanctuary has 1,200 acres and over 12 miles of trails.

Scouts will work on meeting specific requirements for natural history and science related badges. We can offer Boy Scout badge programs, such as birds, sharing your world with wildlife, water and soil conservation, naturalist, forestry, and geology.

Brownie programs include try-its for eco-explorers, plants, science in action, water everywhere, science wonders, earth and sky, animals, and wildlife.

Girl Scout programs can be geared towards badges such as wildlife, earth connection, plants and animals, water wonders, birds, marsh mysteries, and from seed to plant.

The Sanctuary also offers overnight programs for all Scouts, including Brownies. For overnight programs call: (978) 464-2712 ext. 8703 for more details.

We are excited to help your Scouts learn about wildlife, science, and the natural world around them! And we can tailor a program to your specific needs. We are happy to help you in any way we can.
