## Registration Confirmation, Camp Forms, and Payment

Registrations are accepted until sessions are full. To ensure that you receive your first choice, we recommend that you register as soon as you can. A registration confirmation and payment schedule will be sent upon receipt of your registration. The camp forms and handbook will be mailed in March, or with your confirmation if you register after that. **Final payments and completed camp forms must be returned by May 1.** Late or incomplete payments or forms may result in a canceled registration. If you register for camp after May 1, you must pay in full upon registration and return completed camp forms as soon as possible.

### Camper Requirements

Due to the outdoor and exploratory nature of the Wildwood program, campers must be able to follow directions and move about on uneven terrain. Campers should participate meaningfully in age-appropriate activities in a variety of outdoor settings and be able to complete personal care tasks in an overnight environment. I understand the camper requirements and have determined that this program is appropriate for my camper or family.
