DRUMLIN FARM 2017 MARKET LOYALTY PROGRAM

Enjoy Delicious Produce ○ Support Our Farm ○ Save Money

Our Farm

Here at Drumlin, we believe that healthy food begins with healthy soil, and healthy soil depends on the vitality of surrounding ecosystems. We farm with the health of our adjacent woods, meadows, ponds, and vernal pools firmly in mind by actively stewarding these natural areas for birds and other wildlife. We follow all organic farming guidelines, and are committed to sustainable soil management by including rest periods in our crop rotation and by spreading our own compost over fields to promote soil fertility—compost made at Drumlin Farm from our humanely-raised livestock. *We never use any chemical pesticides, herbicides, or fertilizers.* Becoming a Market Loyalty Member not only supports our farming program, but also Mass Audubon’s overall mission to protect Massachusetts’ biodiversity and ecosystems.

How the Loyalty Program Works

Sign up at any time, get a cash bonus based on your investment added to your account, and start shopping. Investment options are listed in the table below. The greater your investment, the greater your value return.

Levels	Farmer	Journeyman	Apprentice
Your Investment	\$500	\$300	\$150
Value Returned	25%	20%	15%
Beginning Balance	\$625	\$360	\$172.50

We track your purchases in a ledger we have with us at market. You may check your balance at any time. If your balance runs low, you may add additional funds at any of the investment levels. All credit must be used this market season (our last market is in November). We do not issue refunds for unused credit.

All of our produce and flowers are eligible for the Loyalty Program. Value-added items like honey, maple syrup, and tote bags are not eligible. Credit may only be used at our Union Square Farmer’s Market stall.

Select the produce you need when you need it. You do not need to make purchases every week or spend a specific amount when you shop.
