

Registration for 2018-2019 Preschool Naturalists

Information

Preschool Naturalists is a weekly drop-off enrichment program for children who will be 3 or 4 in September 2018. The program begins indoors, but goes outside every week for about half the session, whatever the weather. It is our belief that children can better form a positive relationship with nature by experiencing it firsthand rather than getting information from television shows or even from objects brought out of nature. Our program is now in its 24th year!

Registration

To enroll a child, please complete the form below and return it with a **registration fee of \$150** by 4:00 pm on **Thursday, March 22**. All registrations received by that date will be placed in a lottery and registrations drawn to fill the spots.

Payment and Refund Policy

All registration fees are non-refundable and non-transferable. If your child is accepted into the program, the **balance is due July 1**. If you withdraw from the program, before or after it begins, you will receive a pro-rated refund based on the number of classes remaining, minus the \$150 registration fee. If you are not chosen in the lottery we will add your child's name to our waitlist and your registration fee will be returned. Please call us with any questions.

Choosing a Session & Waitlists

If your child will be 3 by September 2018, you are eligible for sessions 2 or 3. If age 4 by September 2018, you are eligible for sessions 1, 4 & 5. **Please choose only the sessions you are willing to accept.** If your child is not chosen in the lottery, you will be waitlisted for only the choices you checked off.
