

Preschool Registration for 2019-2020

Information

Preschool Naturalists is a weekly drop-off enrichment program for children who will be 3 or 4 in September 2019. The program begins indoors, but goes outside every week for about half the session, whatever the weather. It is our belief that children can better form a positive relationship with nature by experiencing it firsthand rather than getting information from the internet or even from objects brought out of nature. Our program is now in its 25th year!

Registration

To enroll a child, please complete the form below and return it with a **registration deposit of \$150** by 4:00 pm on **Wednesday, March 27**. All registrations received by that date will be placed in a lottery and registrations drawn to fill the spots. Notifications will be sent out within one week.

Payment and Refund Policy

All registration deposits are non-refundable and non-transferable. If you are not chosen in the lottery we will add your child to the waitlist and your deposit check will be shredded. If your child is accepted into the program, the **balance is due July 1**. If you withdraw from the program, before or after it begins, you will receive a prorated refund based on the number of classes remaining, minus the \$150 registration deposit. Please call us with any questions.

Choosing a Session & Waitlists

We've changed the age requirements for our weekly sessions. If your child is 3 or 4 by September 2019, you are eligible for any session. You may only enroll one day a week. **Please choose only the sessions you are willing to accept.** If your child is not chosen in the lottery, you will be waitlisted for only the choices you selected.
