## 2. Guided Hike with a Naturalist

(At least one parent must go along.)

## 3. Guided Hike and Craft

Our naturalist can lead the children in making a nature-themed craft to take home. Crafts usually require 15-30 minutes. Choose from:

\*Insect headbands

\*Animal masks or

\*Snake yo-yo's

- Limit: 12 children. Our educational space can accommodate up to 30 people total. Parents of invited guests are always welcome to stay. At least one adult must accompany the children on a nature hike.
- You provide the tablecloths, decorations, refreshments, trash removal, and clean up.
- A \$50 non-refundable deposit is required to confirm the date and time of your party and should be received within one week after scheduling by phone. The balance is due the day of the party.
- Looking for donations to a good cause in lieu of birthday gifts? Our sanctuary sheep need year-round care and feeding. Ask us!
- Mass Audubon laminates — featuring birds, butterflies, pond creatures, and more — make lasting, educational party favors and are available in our sanctuary gift shop for \$5 each.

### Other considerations:

Please ensure that guests come dressed to be outdoors. Parties are not cancelled due to rain.

Time allotted for walks will be shortened and indoor activities added.

No balloons please – fresh flowers, crepe paper and birdseed are more wildlife friendly!
