

# VISITING DRUMLIN FARM WILDLIFE SANCTUARY

The admission building may be the first stop on your visit. Here you will **check in at the window, get a map of the farm, and find out what activities are happening on the farm that day.**

The sanctuary is **big**. Places to visit and learn about are **spread out**. Sometimes there is **a lot of walking**.

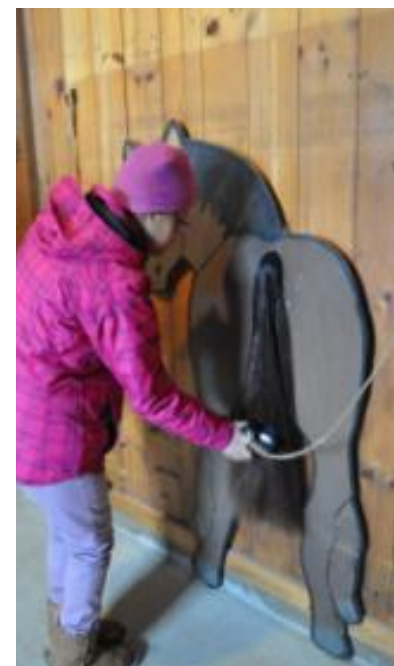

On the farm, there are many **barns** and **farm animals** to visit. Many of our barns are **open to visitors**. Barns can sometimes have **strong smells** and be **loud**. This is part of life on a farm.

There are a lot of exhibits to **touch** throughout the farm.

There are also many different types of **wildlife** living at the sanctuary. Some live on **Bird Hill**.

Drumlin Farm is a **fun** and **interesting** place to visit. There is always a lot to **see** and **do**. Please **enjoy your visit** and do not hesitate to **ask questions**. We are happy to help!

Thank you for stopping by!
