Mass Audubon's Museum of American Bird Art specializes in providing outdoor and indoor environmental, art, and science programs for Girl Scouts. Our programs have been designed by highly qualified art, nature, and environmental educators or artists and cover badge requirements for the Girl Scouts USA. Some badge programs can be combined. For example, bugs and painting can be combined in a single program to complete most of the steps need to acquire each badge. Cost for a natural history program is \$80 minimum, \$10 per brownie, and cost for an art intensive badge program is \$150 minimum, \$15 per brownie. Discounts are available for multiple badge and journey programs. For more information or questions, please contact Sean Kent, email: skent@massaudubon.org, phone: 781-821-8853.
