During this 2 hour program, cadettes will

- Visit the museum and take a behind the scenes tour of Mass Audubon's art collection. Cadettes will be able to look closely at how different artists created art inspired by trees.
- After the museum, we will go on a hike in our 121 acre wildlife sanctuary to identify different tree species and discover how animals use trees.
- By the brook, cadettes will sketch and use watercolors to paint a tree, leaf, or forest landscape.
- After returning from the hike, each person will make leaf prints and mixed-media tree art.
