Children’s Birthday Parties

Moose Hill offers fun birthday party programs for children ages 4 to 12. Begin with an hour-long program led by a Moose Hill naturalist. The program includes:

- outdoor discovery time
- trail activities
- a craft and/or story; if time allows

Continue the party for an additional hour under your own supervision in our Blue Room and Sunroom. You provide the food, refreshments, and party supplies (sorry, no balloons). We are a carry-in/carry-out site: all trash and recyclables are the responsibility of the renter to remove from the site.

Outdoor Rental Options

The side yard of the Visitor Center, just off the parking lot, may be the perfect site for your outdoor function.

This space must be secured with a rental when the use or activity exceeds, in any way, the common use of the sanctuary or if the group size exceeds 30 people.

This space has a number of picnic tables that can be used for your function. In addition, you have access to:
- public restrooms in the Visitor Center
- electricity

There is not an option to move the function indoors should there be inclement weather; you are responsible for providing tents.

There is no access to the kitchen and outdoor fires are not permitted.

Reservations
March-May and September-October: daily
June through August: weekends only
November-February: no reservations available

Indoor Rental Options

Basic rental includes both the Sunroom and the Blue Room.

Full Facility rental includes the Sunroom, the Blue Room, and the Gallery. The warmth of a roaring fire in the fireplace in the Gallery is a nice addition when renting this space in the fall or winter; we provide the wood.

Both options include:
- access to an oven/stove, microwave, and refrigerator
- use of five 6-foot folding tables, two 4-foot folding tables, forty (40) folding chairs
- wireless WiFi, projection screen, a folding room divider, and a white board.

Tables/chairs set up for your arrival. Please note, unless you schedule a Full rental, Moose Hill staff may also use the kitchen.
