2020

DRUMLIN FARM CAMP
Welcome to Drumlin Farm Camp!

We inspire campers ages 4–17 to discover local habitats, connect with the natural landscape, and develop great friendships—a tradition we’ve maintained since 1956. We seek to foster a lifelong bond between campers and the land through carefully designed camp activities and outdoor exploration. At the heart of our camp are three leading concepts:

**Community**
Campers feel free to try new things and make new friends in our welcoming, supportive community.

**Interdependence**
Campers learn about natural cycles and the interconnectedness of people, agriculture, wildlife, and habitats.

**Stewardship**
Campers learn how they can care for the world around them as they discover the importance of wild spaces and the benefits of sustainable farming.

---

"Your camp is amazing. Truly unique and stands on its own. The outdoor-based programming and focus on playing outside in nature is what it’s all about. Kids thrive on that. Thank you!"

—2019 Camp Parent

Drumlin Farm
Wildlife Sanctuary

Lincoln, MA
Entering Pre-K–Grade 12

Campers experience life on a working farm and wildlife sanctuary as they care for farm animals, practice sustainable farming, observe native wildlife, and discover the science behind nature.

TWO-WEEK NATURE CAMPS

Nature Camp (Entering Pre-K–Grade 10)
Campers explore their surroundings at a developmentally appropriate level, in groups that progress by grade. See page 2.

Adventurers (Entering Grades 7–8)
Campers embark on both day and overnight trips around New England. See page 4.

Counselors-in-Training (Entering Grades 9–12)
Counselors-in-Training (CITs) develop valuable leadership skills as they assist with program creation for younger campers. See page 12.

ONE-WEEK THEME CAMPS

Farm Mania (Entering Pre-K–Grade 8)
Campers start and end summer learning all about the farm. See page 8.

Farmyard Frolics (Entering Pre-K–Grade 4)
Campers wrap up the summer with a 3-day mini-camp of farmyard fun. See page 8.

Nature Discovery (Entering Pre-K–Grade 1)
Our youngest campers develop their connection with nature through weekly themes. See page 7.

Nature Builders (Entering Grades 2–3)
Campers learn about nature from the ground up, then create and build projects to share with the rest of camp. See page 7.

Teen Programs (Entering Grades 9–12)
Specialty theme camps delve deep into topics like farm-to-table cooking, climate activism, beekeeping, and nature photography. See page 9.

Assabet River National Wildlife Refuge

Sudbury, MA
Entering Grades 2–6

ASSABET RIVER CAMP

Adventure through Assabet River National Wildlife Refuge. Canoe Puffer Pond, aim for a bullseye at the archery range, cast a line from the fishing dock, and more. Each week blends wilderness skill-building with in-depth habitat exploration.

Transportation to and from Drumlin Farm is available. Come for one week or all seven! See page 11.

Open House Dates

Meet our staff, tour the sanctuary, and find out more about camp. No RSVP necessary, children are welcome.

Drumlin Farm
At Drumlin Farm Wildlife Sanctuary
Thursday, June 18
4:00–6:00 pm

Assabet River
At Assabet River National Wildlife Refuge
Thursday, June 18
4:00–6:00 pm

See page 16 for dates and times of all our camps.
Two-week Nature Camp
Entering Pre-K–Grade 12

PROGRAM DETAILS
Monday–Friday
8:30 am–3:00 pm

Drop-off 8:30–8:45 am
Pick-up 3:00–3:15 pm

Session 1 June 29–July 10
Session 2 July 13–24
Session 3 July 27–August 7
HANDS ON NATURE
Explore Drumlin Farm’s wild habitats and farm, and the connections between them, through hands-on activities like gardening, farm chores, and cooking, as well as outdoor exploration, nature walks, games, and reflection time. Each day centers on a different nature or farm animal theme.

Pathfinders
(Half-day Option)
Entering Pre-K–Kindergarten
8:30–11:30 am or 12:15–3:15 pm
Make new friends, meet our farm animals, and discover some of the hidden wonders of Drumlin Farm during this half-day program. Campers must be age 4 by June 1.

Seekers
Entering Pre-K–Kindergarten
Use your senses to discover the secrets of the farm and wildlife sanctuary during this full-day program. Seekers will have quiet time each day to relax and recharge. Campers must be age 4 by June 1.

Trackers
Entering Grade 1
Follow clues left by animals large and small in our farm, fields, forests, and meadows. Discover the animal residents of Drumlin Farm, from tiny caterpillars to our biggest cow. Trackers are divided into two groups. If you would like your camper to be in the same group with a buddy, please send your buddy request prior to the first day of camp.

Explorers
Entering Grade 2
Explore the homes and habitats of the sanctuary’s wild animals, from farm to forest to pond. Discover Drumlin Farm’s diverse habitats and why different plants and animals live where they do.

Naturalists
Entering Grade 3
Grab a magnifying lens and a field guide, and practice being a naturalist. Learn how to identify plants and animals, perform basic science experiments, and examine natural cycles.

Farmers
Entering Grade 4
Experience the life of a farmer as you complete farm chores, harvest and cook food, and prepare an old-fashioned “Farmer’s Feast” on the last day of the session.

Biologists
Entering Grades 4–5
Be a Drumlin Farm scientist as you catch wild specimens in our fields and ponds, perform experiments to enhance your understanding of the natural world, and discover the natural history of Drumlin Farm.
This program focuses on nature and science rather than farm activities.

Earthkeepers
Entering Grades 5–6
Explore our fields and forests as people did hundreds of years ago. Learn about our interdependent relationship with the land through legends and stories, traditional crafts, understanding primitive tools, and wildlife observation. End the session with an overnight at Drumlin Farm.*
This program focuses on native and pioneer living rather than farm activities.

Apprentices
Entering Grades 6–7
Get hands-on with the farming practices and natural habitats of Drumlin Farm. Discover why sustainable, locally grown food is important to a healthy ecosystem, and how organic farms rely on natural cycles to produce food. Host a farm stand for camp families, and end your session with an overnight on top of the Drumlins!*

Farm Ecologists
Entering Grades 8–10
Partner with our Wildlife Care, Livestock, Crops, Ecological Management, and Education Staff to learn how Drumlin Farm works behind-the-scenes. Assist with care for resident wildlife, do advanced farm chores, help educate visitors, and learn about food preservation.

*The overnight takes place the second Thursday of each session, beginning at 8:30 am on Thursday, and ending at 9:00 am on Friday. Apprentices and Earthkeepers finish their session at Friday morning pick-up. They do not have a full camp day after the overnight. Drumlin Farm provides tents and allergen-free meals for campers.
Two-week Adventurers Entering Grades 7–8

“...Our camper loved the friendships and the outdoor adventures. One of the most amazing things she said was how great the group dynamics were in her hiking group. This was especially impressive because the kids were all very different. I credit the counselors for facilitating this!”

—from 2019 Adventurers Camp Parent

PROGRAM DETAILS

Week 1: 8:30 am–3:00 pm, daily*
Week 2: 8:30 am Monday–Friday, 3:00 pm

Session 1 June 29–July 10
Session 2 July 13–24
Session 3 July 27–August 7
Session 4 August 10–14
DISCOVER THE AMAZING NATURE OF NEW ENGLAND!

During the first week of camp, go on exciting local day trips to habitats like coast, forest, mountain, and more. Hike wooded trails, investigate local rivers and coastline, and learn about the history of our landscape. For the second week, go further afield on a four-night, five-day camping trip to a beautiful New England location. Groups leave Drumlin Farm on Monday of the second week of camp at 8:30 am and return by 3:00 pm on Friday. Drumlin Farm provides allergen-free meals and tents.

**Session 1**
**June 29—July 10**
**Hike Southern Vermont**
Travel to Vermont’s Green Mountains in search of adventure! Hike, swim, and explore the epic views in Green Mountain National Forest. Summit a peak, visit a beautiful waterfall, and learn about land conservation. Relax with s’mores and songs around the campfire after a long day. This trip includes day hiking and swimming.

**Session 2**
**July 13—24**
A. **Tour the Berkshires**
Swim, hike, and paddle through the breathtaking mountains, rivers, and valleys of Western Massachusetts. Search for hidden swimming holes, hike along the Appalachian Trail, and canoe the Housatonic River. This trip includes day hiking and canoeing.

B. **Explore Coastal Massachusetts**
Travel to scenic Cape Cod to learn about coastal ecosystems as you trek through woodlands, marshes, and beaches. Swim in the ocean, dip nets into tide pools, and look for seals. Learn about important conservation efforts on the Cape and visit the National Seashore. This trip is all about fun on the beach and coastal conservation.

**Session 3**
**July 27—August 7**
A. **Farming Northern New England**
Get to know New Hampshire and Vermont and how farming folds into the stunning landscape as you hike, swim, and sample from local farms along the Connecticut River Valley. Learn how cheese is made, seek out swimming holes, discover what happens behind the scenes at a farm-to-table restaurant, and then relax by a campfire with your fellow Adventurers. This trip includes hiking, swimming, and visiting local farms.

B. **Backpack the White Mountains**
Hike from hut to hut as you crisscross the stunning White Mountain National Forest. Summit rugged peaks, take in awe-inspiring views, and experience life in the backcountry. This is a backpacking trip with lodging and food provided by AMC Backcountry Huts, which are not nut-free facilities.

**Session 4**
**August 10—14**
**Maine Kayaking Adventure**
Paddle from island to island along the Maine Island Trail with a certified Maine Kayak guide. Start your day with a spectacular coastal sunrise, and celebrate the day’s adventure with an equally amazing sunset. Check out marine and avian wildlife, explore some of the islands, and doze off under the stars to the sound of the ocean. This is a sea kayaking trip in partnership with Maine Kayak. The trip departs Drumlin Farm at 8:30 am on Monday and returns on Friday by 3:00 pm.

*This program is a one-week overnight (August 10-14) and does not include daily local trips from Drumlin.*
One-week Theme Camps
Entering Pre-K–Grade 12

NEW!
One-week theme camps for campers entering Pre-K–3 and Teens!

PROGRAM DETAILS
Monday–Friday
8:30 am–3:00 pm
Drop-off 8:30–8:45 am
Pick-up 3:00–3:15 pm
NATURE DISCOVERY
Entering Pre-K–Grade 1
Learn, laugh, and connect with nature and other campers! This program nurtures our youngest campers through play, discovery, and sensory exploration. Weekly themes provide structure for our investigations while games, crafts, and animal ambassador visits develop connections that last a lifetime.

Campers must be age 4 by June 1. This camp takes place at our Preschool building at 218 Lincoln Road, and will have limited or no time on the farmyard.

NEW! Marvelous Mammals
June 29–July 3
Learn all about mammals! Discover what makes them different from other animals, which mammals live at Drumlín Farm, and meet some of our resident wildlife.

Hidden Homes
July 6–10
Humans live in houses, but where do animals live? Search Drumlín Farm for the hidden homes of our wild animals in field, forest, and wetland habitats.

NEW! Feathered Friends
July 13–17
How do birds fly? What makes feathers so special? Learn all about birds, their adaptations, and the amazing things they can do, then meet some of Drumlín Farm’s wild and domestic bird residents.

NEW! Fuzzy Wuzzies
July 20–24
Discover the wide world of caterpillars! Learn about the process of metamorphosis, the difference between butterflies and moths, and get an up-close look at caterpillars as you care for them!

NEW! Get Dirty!
July 27–31
Be ready to get down and dirty as you investigate the incredible world of DIRT! Learn about sand, soil, creatures that live in the dirt, and how our world is shaped by the mud beneath our feet.

NEW! Damsels & Dragons
August 3–7
Investigate the bug world’s most ferocious aerial hunters: damselflies and dragonflies! Follow their lives from predators of the pond, to rulers of the sky.

It’s a Watery World
August 10–14
Explore the amazing world that exists above and below the water! Learn how waterways form and flow, and investigate the creatures that live in our rivers, lakes, streams, and oceans.

NATURE BUILDERS
Entering Grades 2–3
Grab your blueprints, tape measure, a roll of duct tape, and get ready to invent as we explore how nature has influenced human design. Each week we take a hands-on approach as we test theories and run experiments to uncover how the natural world is built. At the end of each week, share an experiment or creation of your own with the rest of camp at the Nature Builders’ Fair. This camp focuses on STEM learning and will have limited or no time on the farmyard.

Cumulo-Nimbus 2000
June 29–July 3
Learn to read the clouds, predict the weather, and understand the difference between weather and climate. Produce and film your own weather report for the Drumlín News at 3/2c.

NEW! Landscape Architects
July 6–10
What is a drumlin? Where did Cape Cod come from? Investigate the mechanics behind the forces that shaped our New England landscape, and build your own models to share with peers.

NEW! Raptors!
July 13–17
Discover the world of the apex predators of the sky! Learn about how hawks, eagles, falcons, and owls have become perfectly adapted for aerial hunting, and meet some of the raptors that live at Drumlín Farm.

NEW! Nature’s Superheroes
July 20–24
Flight, body armor, flexibility, super speed: these are just a few of the incredible adaptations you’ll find in nature! Investigate the superpowers of native plants and animals, and design your own superhero based on their special skills.

Farmer’s Challenge
July 27–31
How can we help our farmers? Learn about the challenges farmers face and design an invention our farmers can use in the fields and the barns.

NEW! A Bug’s Life
August 3–7
Investigate the lifecycles and anatomy of insects, arachnids, and other invertebrates in our fields, forests, and ponds. Learn about their adaptations, and build a creation inspired by the wide world of bugs.

Life Aquatic
August 10–14
Uncover the adaptations of aquatic mammals, amphibians, reptiles, and invertebrates in our ecosystems, and discover how humanity has borrowed from them to travel on—and through—water.
Before Camp: 7:00–9:00 am  
Start your day at Drumlin! Campers are given a light breakfast and the opportunity to play games indoors and outdoors, do crafts, read a story, or just relax before the whirlwind camp day begins.

After Camp: 3:00–6:00 pm  
Why go home right away when you can come to After Camp? Campers are provided a snack, and can participate in exclusive afternoon farm chores, go for a nature walk, play indoor and outdoor games, create a craft, or try a new cooking project. Pick and choose which activities you want to do each day.

Drumlin-Assabet Shuttle: 8:30 am & 3:15 pm  
Drop off and pick up your Assabet River camper at Drumlin Farm (and take advantage of our Before and After Camp programs) by using our Drumlin-to-Assabet shuttle! More information on page 11.

One-week or Three-day

Farm Theme Camps

Entering Pre-K–Grade 8

FARM MANIA  
Entering Pre-K–Grade 8  
Session 1: June 22–26  
Session 2: August 10–14  

Half Day Program  
Entering Pre-K–K only  
8:30-11:30 am OR 12:15-3:15 pm

Dig into the dirt and experience the life of a farmer during this exciting week of hands-on farm activities! Each day will focus on a different farm animal. Meet our livestock, learn about their different roles on the farm, complete farm chores, and practice farm-to-table cooking. Along the way, sing songs, play games, do crafts, and participate in our Farm Olympics!

FARMYARD FROLICS  
Entering Grades K–4  
August 18-20

Grab your overalls and get ready for some farmyard fun! Meet our animals, groom the pony, milk the cow, collect eggs, pet the sheep and goats, learn how to work with wool, and eat fresh garden veggies. This three-day mini-camp will be a whirlwind around the farm! Campers will be divided into groups by grade level.

ADDITIONAL OPTIONS  
Make the most of summer with these great options—available with all our camps!
NEW! Community Service Week
July 6—10
Go behind the scenes at Drumlin Farm! Help with projects and daily tasks like harvesting crops, pulling invasive species, working with our farm animals and wildlife, and maintaining trails. All hours spent volunteering can be counted towards a community service requirement.

NEW! Climate Activists
July 13—17
Are you passionate about addressing climate change? Discover how to become a climate activist in your community! Learn from Mass Audubon’s Advocacy Team, visit the State House, and participate in cutting-edge climate research at Drumlin and the Berkshires. This camp includes an overnight in the Berkshires.

NEW! Citizen Scientists
July 20—24
Calling aspiring scientists and ecologists! Here’s your chance to contribute to important scientific research. Team up with Mass Audubon’s researchers to study changing forests, amphibian populations, shorebird health, and more as a citizen scientist at Drumlin Farm and other sanctuaries. This camp includes an overnight to Cape Cod.

Iron Chef Drumlin Farm
July 27—31
Go from omnivore to “locavore” as you learn about locally grown food and how it reaches your table. Discover sustainable farming practices at Drumlin and other nearby farms. Harvest fresh fruits and vegetables, whip up tasty meals, and learn food preservation techniques like pickling and dehydrating. Wrap up the week by preparing a feast in an Iron Chef-style challenge!

Nature Photography
August 3—7
Capturing the “awesomeness” of the natural world with a digital camera is one of the most powerful ways to share it with others. Hone your photography skills as you take stills and action shots of the farm, animals, landscapes, and a few selfies, too. Learn from Mass Audubon photographers, host a photo gallery at camp, and take home your favorite breathtaking scenes. Bring your own camera or borrow one of ours.

NEW! Beekeeping Camp
August 10—14
Bees have been designated the most valuable species on the planet. Join Drumlin Farm’s Beekeeper to learn all about pollinators, bees, and the life of a beekeeper! Tend to hives around the farm, taste different varieties of honey, discover how to help pollinators, and process honey from hive to jar.

NEW! Raptor Camp
August 17—21
Partner with our Wildlife Care Team to learn how to care for owls, hawks, and falcons! Help provide food and enrichment, like puzzles, hidden food, and other opportunities for the birds to use their instincts. Get to know the basics of raptor education programs, and visit a bird rehabilitation facility. Due to the sensitivity of these birds, enrollment requires a separate application. Please email us at drumlinfarmcamp@massaudubon.org or download the application from our website.

NEW! One-week-Overnight Cape Cod Ecology Expedition
August 17–21
Join like-minded teens from Wellfleet Bay Wildlife Sanctuary for a week of investigating Cape Cod’s ecology! Participate in research, care for sea turtles, and help tag local wildlife with Mass Audubon scientists. Discover the area’s hidden gems as you explore marshes, bluffs, and beaches. This program departs Drumlin at 8:30 am on Monday and returns at 3:00 pm on Friday.
One-week

Assabet River Camp

Entering Grades 2–6
Build Skills & Explore Habitats

Canoe Puffer Pond, shoot for a bullseye at the archery range, cast a line from the fishing dock, and discover the hidden wonders and unique history of Assabet River and the larger National Wildlife Refuge system. Every week at Assabet will blend wilderness skill development, such as orienteering, shelter-building, and wild edibles identification, with in-depth habitat exploration and outdoor activities.

Connection, Adventure, Reflection

Campers are warmly welcomed with team-building activities and games. Each camper will develop confidence as they learn wilderness skills, connect with their peers, and discover the refuge through collaborative nature exploration. Those who participate in multiple weeks will enjoy new adventures as they hone their skills and grow as peer leaders. Our days are active, but we always include reflection time to develop an appreciation for nature and each other. Campers celebrate their progress each day as they earn honor beads for skills from positivity to paddling to stewardship.

SIGN UP FOR ONE WEEK OR ALL SEVEN

Each week at Assabet River Camp is a different adventure at the 2,200-acre Assabet River National Wildlife Refuge in Sudbury. Campers have fun, make friends, and grow through outdoor activities, nature exploration, and inquiry.

ONE-WEEK PROGRAMS
June 29—July 3
July 6—July 10
July 13—July 17
July 20—July 24
July 27—August 1
August 3—7
August 10—14

Monday-Friday
8:30 am-3:00 pm

Drop-off
8:30-8:45 am

Pick-up
3:00-3:15 pm

Drumlin-Assabet Shuttle
Departs Drumlin 8:30 am
Arrives at Drumlin 3:15 pm

Develop wilderness and naturalist skills on the 2,200-acre Assabet River National Wildlife Refuge! Progress through canoeing, fishing, and archery, and gain confidence as we explore the refuge and learn about different ecosystems.

My camper loved getting out into the wildlife refuge and exploring! It was an idyllic experience for him to fish, canoe, catch bugs, and learn about nature while hiking the trails. He loved the freedom to play and learn.

—2019 Camp Parent

SHUTTLE FROM DRUMLIN FARM

Drop-off and pick-up your camper at Drumlin Farm, where you can also take advantage of our Before- and After-Camp options, by using our Drumlin-to-Assabet shuttle! The shuttle departs from Drumlin Farm at 8:30 am and returns at 3:15 pm. Service is available for $120/week or $25 for individual daily roundtrips. For information on Before- and After-Camp Options, see page 8.
THE PROGRAM
Develop your leadership skills by working alongside our counselors, and sharing your love and knowledge of nature with younger campers. Each session you’ll be assigned an age group to work with for the full one to two weeks, enabling you to develop bonds with campers as you assist with camp programming.

Daily meetings will give CITs a chance to create a community, share experiences, develop job skills, and learn more about nature and agriculture. Ongoing feedback from our staff will help you find and develop your individual teaching and leadership styles as you create new lessons and assist with games, songs, crafts, and wacky camp fun. In addition to being a great résumé builder, all hours spent volunteering may be able to count toward community service requirements (varies by town).

CITs develop skills including:
- Problem-solving
- Organization & group management
- Leadership
- Listening & communication
- Safety awareness
- Team- and community-building

CIT Training
To provide the fullest experience, we host a mandatory CIT training June 25–26. During that training, you’ll learn about child development, safety, and best practices for working at camp. Camp staff lead trainings and offer mentorship to CITs to supplement their development. Plus, we’ll have a campfire and s’mores!

Commitment
A two-session commitment is required to participate. Additional sessions may be attended at no charge. CIT sessions overlap with our three two-week Nature Camp sessions, and one Farm Mania session (August 10–14).
Meet Our
Camp Staff

CAMP STAFF
Our camp staff is comprised of dedicated and mature educators, naturalists, and college students who are looking for more than "just a summer job." They have experience working with youth, knowledge of (and a passion for) nature and farming, and a deep commitment to sharing that connection with children.

Many of our counselors are camp alumni who help foster a shared love of our sanctuary and belief that it is a special place where magical things happen. Our tight-knit staff community creates a more cohesive and enjoyable experience for our campers. It’s easier to pass on a smile when you have one yourself!

TRAINING
From day one, we foster a sense of community and compassion amongst our counselors. Each counselor brings something unique and valuable to the camp experience, and by nurturing their varying teaching styles and ideas, we enrich our camp, year after year.

Counselors are trained in child development and supervision, health and safety procedures, natural history, farm animal care, and environmental education best practices. All are CPR and First-Aid certified and have undergone background and reference checks. In addition, we have a licensed nurse at Drumlin Farm, access to an on-call doctor, and EMS services within one mile.

“ I just wanted to say that I am thoroughly impressed with the quality of staff you had working with kids this summer. Their kindness and respectful and positive language when speaking to children is much appreciated and makes the overall experience awesome. ”

—2019 Camp Parent

WORK WITH US!
Email your cover letter, resume, and three references to drumlinfarmcamp@massaudubon.org!
REGISTRATION INFORMATION

TO REGISTER FOR CAMP
Visit massaudubon.org/drumlincamp
Call 781-259-2244
Mail or bring this form and payment to:
Drumlin Farm Camp
208 South Great Road
Lincoln, MA 01773

REGISTRATION CONFIRMATION
A confirmation letter/email containing important documents and information will be sent once your camper’s registration has been processed.

DEPOSIT
A nonrefundable deposit is required to register for camp as follows:
One-Week Sessions: $100/camper/session
Two-Week Sessions: $200/camper/session
The deposit will be applied to your camp tuition and cannot be transferred to another camper, family, or camp location. If registering after May 15, payment in full is required (unless a payment plan has been established with the Camp Director).

REFUND POLICY
A full refund, minus the nonrefundable deposit, is provided to camp families who cancel in writing on or before May 15. After May 15, no refund is available. Deposits are not transferable, and refunds are not given for participant dismissal, failure to attend, absence, or sick days. If we must cancel a session, you will receive a full refund.

MEMBERSHIP & DISCOUNTS
Mass Audubon members at the Family level or above receive a discounted rate. To qualify, your membership must be current through your camper’s last session, and you must be the parent, grandparent, or legal guardian of the camper being enrolled. Membership can be purchased or renewed at the time of registration.

IMPORTANT DEADLINES
If registering after May 15, payment in full is required and a specific camp form deadline will be set for you. A camper cannot attend camp and his/her spot is not guaranteed until all forms, waivers, and payments are completed (or a payment plan has been established). A fee of $25 per camper will be charged for incomplete or late forms and waivers.

CAMPER REQUIREMENTS
Camper are expected to meaningfully participate in age-appropriate activities, including outdoor exploration and nature study. To ensure a successful camp experience, please discuss any pertinent information regarding your child’s special needs with the Camp Director. We can accommodate on a case-by-case basis in order to establish the best strategy for a great summer camp experience. All campers must follow stated behavior expectations and safety rules.

The Camp Director reserves the right to dismiss a camper when, in their judgment, the camper’s behavior interferes with the rights of others or the smooth functioning of the group or activity, or violates the camp’s behavior policy. In such cases no refunds will be provided. If you have any questions regarding your child’s ability to participate in our camp program, please contact the Camp Director.

CAMP LICENSE
Our camp complies with the regulations of the Massachusetts Department of Public Health (105 CMR 430) and is licensed by the Lincoln and Sudbury Boards of Health.

ACA ACCREDITATION
We are proud to be accredited by the American Camp Association. Developed exclusively for the camp industry, this nationally recognized program focuses on program quality, health and safety, management, and camp operations.

CAMP POLICY REQUESTS
You may request copies of our background check, health care, discipline, bullying, and grievance policies at any time.

BUDDY REQUESTS
One buddy request per camper will be honored when possible. Both campers must be the same age, and both must request each other. All buddy requests must be made in writing at least one week prior to the first day of camp. Please indicate on your registration form if you would like your camper to be placed with a friend of the same age. We are unable to accommodate buddy requests on the first day of camp.

CARPOOL REQUESTS
If you would like to be added to the carpool list, please check the appropriate box on your registration form, and your information will be shared with other interested families. Carpool lists will be distributed by email on June 1.

CAMP CONTACT INFORMATION
If you have any questions or concerns regarding camp or your child’s attendance at camp, please contact the camp office, at 781-259-2244, or the Camp Director, at 781-259-2223.

CAMPER SCHOLARSHIPS
We believe connection with the natural world should be available to all. If finances are getting in the way of a summer at Drumlin Farm, financial assistance is available based on demonstrated economic need and available funds. Scholarships are limited to one session per child; however, all applications are considered. Applications are accepted and approved on a rolling basis. Please call the Camp Director to request a scholarship application or download one at massaudubon.org/campforms. Payment plan options are also available; please contact the Camp Director.

All camp forms, waivers, and the balance of tuition are due MAY 15

There’s more to explore at wildwood

Mass Audubon’s overnight camp in New Hampshire.
To learn more, visit massaudubon.org/wildwood.

• Overnight Camp, ages 8–14
• Wildwood Warblers, ages 7–8
• Teen Adventure Trips, grades 9–12
• Environmental Leadership Program, grades 10–11
• Counselors-in-Training, grade 12
• Family Camp, all ages!
My child enjoyed everything! I don’t know what you all did, but it was delightful to come to pick up a child who was calm and happy. At peace with himself and the world. You all are doing something right!

—2019 Camp Parent

Mass Audubon protects more than 38,000 acres of land throughout Massachusetts, saving birds and other wildlife, and making nature accessible to all. As Massachusetts’ largest nature conservation nonprofit, we welcome more than a half million visitors a year to our wildlife sanctuaries and nature centers. Today, Mass Audubon is a nationally recognized environmental education leader, offering thousands of camp, school, and adult programs. With more than 135,000 members and supporters, we advocate on Beacon Hill and beyond, and conduct conservation research to preserve the natural heritage of our beautiful state. We welcome you to explore a nearby sanctuary, find inspiration, and get involved. Learn how at massaudubon.org.
