Wildwood is a special place where campers come together to discover and explore the natural world.

Our campers roast s'mores over open fires, sleep under the stars, sing silly songs, paddle around Hubbard Pond, and fall in love with nature each day. Campers have fun as they explore the outdoors, make friends, and develop self-confidence and leadership skills that last a lifetime. Located in southern New Hampshire, Wildwood is a one-of-a-kind camp for youth ages 6–17.

Our mission is to connect campers with nature in a friendly and caring environment so that they may gain a greater respect for nature as well as our role in protecting it.
What’s Inside

COVID-19 Safety at Mass Audubon Camps

The health and welfare of our campers and staff remains our highest priority. We feel confident that the success of Mass Audubon Camps in designing and offering a safe summer of camping in 2020 will guide us into another great summer in 2021. We will continue to stay informed and engaged with the work of the New Hampshire Department of Children and Families and the American Camp Association to ensure best practices with regard to staying safe as we move through the developing phases of the COVID-19 pandemic.

We anticipate that we will continue to practice the wearing of masks, physical distancing, smaller group sizes, enhanced sanitizing protocols, and all other recommended health and safety guidelines. As we learn more from working closely with partners in public health, childcare, and camping, we will continue to keep our camp community updated.

Please note that any photos depicting children without face coverings were taken prior to 2020. All Mass Audubon program participants are now required to wear masks.
My camper enjoys most of all seeing her special camp friends each year. She also enjoys the traditions, special songs, jokes, and culture that arises. She loves the setting and the activities.

—2019 Overnight Camp Parent

Activities
Wildwood is all about choice and exploration. Our daily schedule is built around activity periods that feature a variety of programs for campers to choose from.

Pre-Breakfast Jaunts (PBJs) give campers the opportunity to start their day with activities like birding, paddling, and the always-popular Polar Bear Swim!

Nature Groups (NGs) empower campers to discover field, forest, and wetland habitats and the intriguing behaviors of birds, insects, mammals, invertebrates, and more through hands-on investigation.

Discovery Groups (DGs) provide campers with a unique experience to dive into more nature discovery investigations, arts and crafts, high-ropes course challenges, paddling, sailing, improv games, wacky science, and much more.

Open Activity Times (OATs) give campers free time to swim or paddle on Hubbard Pond, join a game of soccer at the activity field, or simply relax and meet up with friends.

Evening Programs (EPs) take place after dinner and enrich Wildwood’s offerings with an all-camp or unit-based game or activity, such as night hikes or sunset paddles. A few of our favorites include Predator/Prey, Heffalump Hunt, and campfires.

Wildwood Warbler
Wildwood Warbler is a three-day overnight camp program providing younger campers (ages 7–8) with outdoor experiences and challenges appropriate for their age level.

Warblers stay in the yurts and are supervised by experienced staff who are enthusiastic, dedicated, and committed to helping children be comfortable and grow in the out-of-doors. Small group sizes create a safe environment that is rich in individual guidance and personal attention.

Meals
Meals are a time to connect with friends and bunkmates over family-style entrées. Campers are served three well-balanced meals and an afternoon snack each day. Example meals include eggs, pancakes, sandwiches, turkey dinner, and spaghetti with meatballs, with additional choices at the salad bar.

Our camp is entirely nut-free! Our kitchen is able to accommodate specific dietary needs including those of campers who follow vegetarian, vegan, gluten-free, and dairy-free diets (and more!).

OVERNIGHT CAMP 5
Wildwood Teen Adventure Trips immerse campers ages 14-18 in the natural wonders of the Northeast’s most beautiful areas. All trips focus on developing a love of the outdoors, but each trip takes a unique approach. A wide variety of trip options accommodate many interests and levels of outdoor experience.

“My teen enjoyed the team spirit and camaraderie, being out in nature, learning new skills, and the sense of achievement.”

— Parent of a 2019 Teen Adventure Trip Participant
Teen Adventure Trips

Appropriate for teens with all levels of outdoor experience and good physical fitness.

**Acadia Adventure**  
**June 20–26**  
Breathe in the excitement of Maine’s Acadia National Park and enjoy spectacular coastal views. We’ll hike along the granite slopes of Cadillac Mountain and bike Bar Harbor’s famous carriage roads. Watch for whales, seals, eagles, and other wildlife while kayaking along coves and rocky shores. Spend the afternoon at one of the park’s scenic beaches and share stories of your adventures around a cozy campfire.  
This itinerary includes cycling; participants should be comfortable on a bicycle.

**Backpacking the Berkshires**  
**July 4–10**  
Set off on some of the world’s most famous footpaths as we explore the Berkshire and Taconic ranges during this intermediate backpacking trek. Trek over stunning mountains that dominate the skyline of Western Massachusetts, and take advantage of the endless opportunities for personal growth and meaningful time in nature with friends.  
This itinerary includes five nights and four days of backpacking. Participants can expect to carry an internal frame pack weighing 35-45 pounds while traveling up to ten miles per day. This intermediate level backpacking trip is appropriate for those with prior backpacking experience or for beginners with prior camping experience and good physical fitness.

**Paddling Vermont’s Waterways**  
**June 27–July 3**  
Explore the glacier-carved lowlands of the Vermont Piedmont afloat and afoot on this beginner canoe trek. We’ll begin with an afternoon of professional paddling instruction before loading up our canoes for a two-day float downriver to develop our Leave No Trace wilderness ethic and build outdoor skills. Once we’ve experienced the river valley by boat, we’ll strike out on foot to explore some of the ridges and peaks that surround it.

**Paddling the Pioneer Valley**  
**July 11–17**  
Discover the Connecticut River and its tributaries as we canoe through Massachusetts’ Pioneer Valley. Professional paddling instructors will take our skills to the next level as we visit oxbow lakes, secluded islands, and riverside Mass Audubon wildlife sanctuaries. Learn about the ecology of the Connecticut River and keep an eye out for eagles, otters, and more.  
This intermediate-level canoe trek is appropriate for teens with prior camping or paddling experience.
Backpacking the Wild Whites
July 18–24
Hike across beautiful ridgelines and valleys in the White Mountains’ Pemigewasset Wilderness. On this challenging backpacking trip, we’ll summit several of New Hampshire’s famed 4,000-foot peaks and take in some of the best views New England has to offer.

This itinerary includes 30 miles of backpacking over approximately four days, hiking up to 10 miles per day. This challenging backpacking trip is appropriate for those with prior backpacking experience or beginners with significant camping and hiking experience and good physical fitness.

Discovering the Long Trail
August 1–7
Gear up for a week-long adventure along the ridge of Vermont’s Green Mountains on this inspiring trek. The Long Trail is the oldest long-distance hiking trail in the country and traverses some of Vermont’s highest peaks, offering breathtaking vistas along the way. Teens will have the opportunity to learn and practice Leave No Trace camping skills and fortify their confidence to thrive in the backcountry as they trek through remote Vermont Wilderness.

This itinerary includes five nights and four days of backpacking. Participants can expect to carry an internal frame pack weighing 35-45 pounds while traveling up to ten miles per day. This intermediate level backpacking trip is appropriate for those with prior backpacking experience or for beginners with prior camping experience and good physical fitness.

Maine Coast Kayaking
July 25–31
Venture out to sea to explore the scenic coves and bays of the Maine coast with professional sea-kayaking guides. Keep your eyes peeled for wildlife, including seals, puffins, and maybe even a whale as we paddle to our island campsite. Learn the basics of kayaking and Leave No Trace camping as we travel the high seas and scenic beaches. Wrap up each day with a relaxing evening around the campfire with friends for an unforgettable adventure.

Caves and Waterfalls in the Pioneer Valley
August 8–14
Discover boulders, caves and waterfalls hidden throughout Massachusetts’ Pioneer Valley. This trek delves into the fascinating natural history of the area with a focus on geology and cave wildlife ecology. We’ll explore natural caves and waterfalls while learning about how these features formed and how they support the local ecology. There will be plenty of hiking and spelunking, not to mention a dip in a waterfall pool!
Environmental Leadership

Nature needs the next generation of environmental leaders to be ready. The goal of our Environmental Leadership Program (formerly Leaders-in-Training) is to equip and encourage teens to be effective environmental advocates and conservation leaders in their homes and communities.

Each teen will be given opportunities to practice leadership—through teaching, service, outdoor adventure, and more—among their peers and younger campers. Each group of participants will also focus on an environmental or conservation topic and how they apply their leadership skills to make a positive impact on the world.

Environmental Leadership Program Year 1
Ages 15–17
First-year ELPs participate in team-building activities, an environmental service project, and act as leaders and role models for their peers and younger campers. With the support and guidance of Wildwood staff, participants lead their peers in a program of their own creation. Off-site community service provides an opportunity to serve and connect with communities beyond Wildwood.

Environmental Leadership Program Year 2
Ages 16–17
During their second summer of ELP, participants will dive deeper into the concepts of leadership, putting their skills into practice throughout the Wildwood program and beyond. Teens will leave with knowledge and experience in goal-based leadership and acting as a positive role model in their various communities. This session gives participants skills to build on for years to come—at home, at school, and beyond.*

Counselors-in-Training
Ages 17–18
The Counselors-in-Training (CIT) program helps teens develop leadership skills, learn how to work with children, and share their love and knowledge of nature with younger campers. The summer starts with a weeklong training program before moving into cabins with the campers. Daily meetings will give CITs a chance to build community, share experiences, develop job skills, and the knowledge and experience to begin the transition from camper to counselor.*

Session E    August 2–6
Session F    August 9–13

A Sample Day

Each morning, campers discover the day’s nature theme before heading out to explore Wildwood’s diverse habitats and wildlife. Daily afternoon activities provide opportunities for campers to connect with each other and nature and include hikes, pond discovery, creative arts projects, wilderness survival skills, and water games. And no day at camp would be complete without a dip or a paddle on Hubbard Pond!

Campers have opportunities to play outdoors, make discoveries, and learn about making choices. Our cozy camp areas create safe spaces for relaxing, sharing, and learning with friends. Lunch and snacks are included each day.
Family Camp
Fun for campers of all ages
Nature Together

Family Camp is fun for campers of all ages—from toddlers to grandparents! Wildwood has just what your family needs to enjoy some quality time together in a safe, quiet, and beautiful natural setting. Bring the whole family to explore nature, reconnect, and meet other outdoor-loving families. Each family stays in its own cabin, wooden tent, yurt, or platform tent, or you can bring your own personal tent.

The activities were great and the pace was lovely. There was fellowship and community-building, but it wasn’t forced. It really was a great time for our family! —2019 Family Camp Parent

Fun for the Whole Family

A variety of fun activities include swimming, kayaking, nature crafts, hiking, high-ropes course challenges, birding, and campfire songs, plus opportunities to relax and enjoy time spent in nature, both together and in separate, kid- or adult-only programs.

Family Camp is a great way for parents to introduce future Wildwood campers to all the fun and excitement the outdoors has to offer.
Wildwood Getaway is the perfect opportunity for your family to relax and spend time in nature using our property as a campground. We will provide families with a unit to sleep and hang out in which includes a fire pit, outdoor sink, picnic table, benches and portable toilet. Families bring bedding, personal items and all cooking/cleaning gear. The waterfront is open daily for swimming and boating.

Available during May, September and October.
Summer Staff

Our camp staff includes educators, naturalists, and college students from the U.S. and around the world—all dedicated adults who bring the Wildwood program to life through their creativity. Staff work to create a positive community and ensure each camper has a safe and rewarding camp experience.

We select individuals who have experience working with children and a strong desire to share their knowledge of the natural world. Our application process includes thorough interviews, and background and reference checks.

Staff are required to participate in an intensive two-week training program focused on child development and supervision, health and safety procedures, and environmental education. All camp staff hold CPR and first-aid certifications as well as activity-specific certifications. We have around-the-clock, licensed health care staff on site along with access to an on-call pediatric practice at nearby Monadnock Community Hospital.

Leadership Team

Wildwood’s leadership team works year-round to develop high-quality summer camp programming. We participate in ongoing professional development provided by accredited organizations such as the American Camp Association (ACA). We are always available to talk with families and campers to help them prepare for a successful camp experience.

To Register for Camp
Visit massaudubon.org/wildwood or call 866-627-2267.

Registration Confirmation
A confirmation email containing important documents and information will be sent once your camper’s registration has been processed.

Deposit
A nonrefundable deposit of $100/camper/week is required to register for camp. The deposit will be applied to your camp tuition and cannot be transferred to another camper, family, or camp location. If you are registering after May 1, payment in full is required (unless a payment plan has been established with the Camp Director).

Refund Policy
A full refund, minus the nonrefundable deposit, is provided to camp families who cancel in writing on or before May 15. After May 15, no refund is available. Deposits are not transferable, and refunds are not given for participant dismissal, failure to attend, absence, or sick days. If we must cancel a session, you will receive a full refund.

Membership Discount
Mass Audubon members at the Family level or above receive a discounted rate. To qualify, your membership must be current through your camper’s last session, and you must be the parent, grandparent, or legal guardian of the camper being enrolled. Membership can be purchased or renewed at the time of registration.

Refer-a-Friend Discount
We offer a referral bonus to registered camper families who refer new campers to Wildwood. Contact the camp office for more information.

Financial Aid
Financial assistance is available based on demonstrated economic need and available funds, and is generally limited to one session per child; however, all applications are considered. Please call the Camp Director to request an application or download one at massaudubon.org/campforms.

Payment Plans
Payment plan options are available. Please contact the camp office for more information.

Transportation
Transportation may be provided from Manchester or Boston Logan airports for an additional fee. Please call the office to arrange pickup.

Important Deadlines
All camp forms, waivers, and the balance of your camp tuition are due by May 1. If you are registering after May 1, payment in full is required and a specific camp form deadline will be set for you. A camper cannot attend camp and his/her spot is not guaranteed until all forms, waivers, and payments are completed (or a payment plan has been established).

Camper Requirements
Campers are expected to be able to follow all COVID-19 safety protocols, including wearing masks and maintaining social distancing. Camp families will be required to complete a health screening and attestation before their child can be admitted to camp. Campers are expected to meaningfully participate in age-appropriate activities, including outdoor exploration and nature study. To ensure a successful camp experience, please discuss any pertinent information regarding your child’s special needs with the Camp Director. We can accommodate on a case-by-case basis in order to establish the best strategy for a great summer camp experience. All campers must follow stated behavioral expectations and safety rules. The Camp Director reserves the right to dismiss a camper when, in her judgment, the camper’s behavior interferes with the rights of others or the smooth functioning of the group or activity, or violates the camp’s behavior policy. In such cases no refunds will be provided. If you have any questions regarding your child’s ability to participate in our camp program, please contact the Camp Director, Becky Gilles.

Camp License
Our camp complies with all regulations and is licensed by the New Hampshire Department of Children & Family Services.

ACA Accreditation
We are proud to be accredited by the American Camp Association. This nationally recognized program focuses on program quality, health and safety, management, and camp operations.

Camp Policy Requests
You may request copies of our background check, healthcare, discipline, bullying, and grievance policies at any time.

About Mass Audubon

Mass Audubon protects more than 38,000 acres of land throughout Massachusetts, saving birds and other wildlife, and making nature accessible to all. As Massachusetts’ largest nature conservation nonprofit, we welcome more than a half million visitors a year to our wildlife sanctuaries and nature centers. Today, Mass Audubon is a nationally recognized environmental education leader, offering thousands of camp, school, and adult programs. With more than 135,000 members and supporters, we advocate on Beacon Hill and beyond, and conduct conservation research to preserve the natural heritage of our beautiful state. We welcome you to explore a nearby sanctuary, find inspiration, and get involved. Learn how at massaudubon.org

More for Members

Mass Audubon membership is not just about summer fun for your campers: It includes free year-round admission to our statewide network of wildlife sanctuaries, where the whole family can explore and enjoy the outdoors. Members also enjoy great savings on nature programs and gift shop purchases. Learn more at massaudubon.org/membership
