**Admission Policy:** All interested families must apply for enrollment using this application. Drumlin Farm Community Preschool strives to balance classes based on both age (a mix of children ages 3-6 years old when possible) and gender. Within this framework, admission is by chronological order as applications are received. Application forms are accepted by mail or in person at the Drumlin Farm Wildlife Sanctuary Admissions Window -not by email or fax. Applications will be accepted from all families, without discrimination on the basis of race, religion, gender, sexual orientation, cultural history, political beliefs, marital status, or disability. The registration deadline for returning families and currently enrolled children and their siblings is **January 15, 2021** and the deadline for new families is **February 12, 2021**. After this date, enrollment is ongoing, based on available space. Returning families and siblings of current families receive first choice of spaces. Waitlisted families will be notified when and if spaces become available. **Financial Assistance** is available through our scholarship fund and is based on demonstrated economic need and available funds. Financial assistance applications are due by **February 5, 2021** and can be obtained by contacting the Preschool Director at [jcanelli@massaudubon.org](mailto:jcanelli@massaudubon.org) or at 781-259-2241. Please note due to the nature of the COVID-19 pandemic and the evolving guidance for licensed child-care programs like our school, specific decisions regarding enrollment may need to change and/or be updated as we move towards the start of the 2021-2022 school year (i.e. number of students in a class, etc.).
