

Visiting Moose Hill Wildlife Sanctuary

The Visitor Center is your first stop on your visit. Come inside, get a map, and learn about the trails. Please do not hesitate to ask questions. We are happy to help.

While you are in the Visitor Center, enjoy our Art Gallery, visit the Gift Shop, or use the restrooms and water fountain.

Go outside and observe the activity at our butterfly and bird gardens.

The sanctuary is big and has many trails to explore. How far you go is up to you!

The Billings Loop is mostly stroller-friendly, but most trails have rocks and hills.

- Be kind to the plants and animals you may see, and take only memories when you leave.
- For the safety of wildlife and other visitors, leave dogs and other pets at home. Our Visitor Services staff can give you information on local, pet friendly places.
- Add your sightings to our board after your hike!

Thanks for visiting!
