DRUMLIN FARM 2020 CSA WORK SHARE OPTIONS

We have the following Work Share positions available on a first-come, first-served basis. You may enroll in as many seasons as you'd like:

Field Work Shares (Available for Spring, Summer, and Fall)

Time: 1:30-4:00 pm Tuesdays and Thursdays. Some Saturdays may also be available.

Work 5 hours total in exchange for one discounted CSA share (\$55 off)

Help us with a variety of field work such as weeding, "thinning" carrots and beets, planting, and harvesting. Members might also help with CSA pre-harvests on Tuesday afternoons. You can come during any of the prearranged days - Tuesdays, Thursdays, and Saturdays – to fulfill your work commitment. You are invited to bring along family and friends (please, no one under the age of 12) to help contribute to your work share commitment. Work varies seasonally.

Harvest Work Shares (Available for Summer and Fall Only)

Time: Fridays 1:30-4:00 pm. Some Saturdays may also be available.

Work 20 hours total in exchange for one discounted CSA Share (\$220 off)

Help us with our Friday afternoon harvests throughout the growing season and with our Saturday storage crop harvests in fall. Responsibilities may include harvesting and packaging produce such as cherry tomatoes, ground cherries, beans, sweet peppers, and strawberries. Work varies seasonally.

If you are interested in any of the options listed above, please contact the CSA Coordinator at dfgrower@massaudubon.org or 781-259-2238. ***Due to limited share availability, the Coordinator must pre-approve*** your work share choice before you'll be able to register. *Please note, work shares are not eligible for the early bird discount.* We look forward to sharing the harvest with you!
