Preschool Naturalists is a 30 week drop-off enrichment program for children who will be 3 or 4 by September 2020. The program begins indoors, and goes outside for the second half of the class in snow, rain, and sun! It is our belief that children can better form a positive relationship with nature by experiencing it firsthand rather than getting information from the internet or even from objects brought out of nature. Our program is now in its 26th year!

Registration
To enroll a child, please complete the form below and return it with a registration deposit of $150 by 4pm on Wednesday, March 25. All registrations received by that date will be placed in a lottery to fill the classes. Notifications will be sent out within one week.

Payment and Refund Policy
All registration deposits are non-refundable and non-transferable. If you are not chosen in the lottery we will add your child to the waitlist and your deposit check will be shredded. If your child is accepted into the program, the balance is due July 1. If you withdraw from the program, before or after it begins, you will receive a prorated refund based on the number of classes remaining, minus the $150 registration deposit. Please call us with any questions.

Choosing a Session & Waitlists
If your child is 3 or 4 by September 2020, you are eligible for any session. You may enroll for only one day a week. Please choose only the sessions you are willing to accept. If your child is not chosen in the lottery, you will be waitlisted for only the choices you selected.
