Challenge Selection Grid

Use this grid to determine on which **Challenge** your class would like to focus. The column on the far-left hand side lists the **Criteria** you have to consider to make your selection. **Rank each Challenge against each criterion** using a 1-3 scale. Total up your scores at the bottom.

Note: 1 means it least meets the criteria, 3 means it most meets the criteria.

Criteria	Scenario 1	Scenario 2	Scenario 3
Criterion 1: I want to learn more about the issues in this challenge			
Criterion 2: This is something that could happen (or is already happening) in my community			
Criterion 3: This challenge seems like ones that could impact people or places I care about in my community			
Criterion 4: I think I could come up with creative and realistic strategies for this challenge
