## Our Coast, Our Future: Getting Started

As you watch the *Our Coast, Our Future Introduction* video, think about these questions. Your responses can be in words or pictures.

1. List one or two key points Dr. Perry made that seemed especially important to you.
2. What in the video was new or surprising to you?
3. What items that Dr. Perry mentioned might be especially important in your city or town?
4. What things in the video do you want to know more about?
