2022
DRUMLIN FARM CAMP
Welcome to Drumlin Farm Camp!

At Drumlin Farm Camp, children ages 4–17 discover local habitats, connect with the natural landscape, and develop great friendships—a tradition we’ve maintained since 1956. Campers experience life on a working farm and wildlife sanctuary as they care for farm animals, observe native wildlife, participate in sustainable farming, and discover the science behind nature. At the heart of Drumlin Farm Camp are three leading concepts:

**Community**
Campers feel free to try new things and make new friends in our welcoming, supportive community.

**Interdependence**
Campers learn about natural cycles and the interconnectedness of people, agriculture, wildlife, and habitats.

**Stewardship**
Campers discover how they can care for the world around them as they learn about the importance of wild spaces and the benefits of sustainable farming.

COVID-19 SAFETY
The health and welfare of our campers and staff remains our highest priority. We feel confident that the success of Mass Audubon Camps in designing and offering a safe summer of camping in 2020 and 2021 will guide us into another great summer in 2022. We will continue to stay informed and engaged with the work of the Massachusetts Department of Public Health and the American Camp Association to ensure best practices with regard to staying safe as we move through the developing phases of the COVID-19 pandemic. For the latest updates on COVID-19 safety at camp, visit massaudubon.org/camps.

OUR COMMITMENT TO DIVERSITY & INCLUSION
At Mass Audubon Camps, we strive to create a safe, inclusive, and caring camp environment where each person is respected and supported in their learning and growth. We believe that diversity—both in nature and in our human communities—is essential to strength, resilience, and innovation, and we are committed to recognizing the unique contributions of each community member.
Summer 2022
At-a-Glance

TWO-WEEK NATURE CAMP

Nature Camp (Entering Pre-K–Grade 8, Ages 4-13)
Campers explore their surroundings at a developmentally appropriate level, in groups that progress by grade. See page 2.

ONE-WEEK NATURE THEME CAMPS

Curiosity Club (Entering Pre-K–K, Ages 4–5)
Our youngest campers develop their connection with nature in this half-day program through explorations, games, and crafts. See page 5.

Nature Builders (Entering Grades 2–3, Ages 7–8)
Campers learn about nature from the ground up, then create and build projects to share with the rest of camp. See page 5.

Art Outdoors (Entering Pre-K–Grade 8, Ages 4–13)
Campers try out nature journaling, create art projects, and explore the beauty of nature. See page 5.

ONE-WEEK & 3-DAY FARM THEME CAMPS

Farmyard Frolics (Entering Pre-K–Grade 8, Ages 4–13)
Campers learn all about the farm and help care for crops and livestock. See page 6.

Farm Trekkers (Entering Grade 4–8, Ages 9–13)
Campers discover how farms, communities, and food are connected in Lincoln and around the Boston area. See page 6.

TEEN PROGRAMS

Environmental Leadership for Teens (Entering Grades 9–12, Ages 14–17)
Teens gain the necessary skills and knowledge to develop and implement a climate change action plan in their communities and become environmental leaders. See page 7.

Counselors-in-Training (Entering Grades 9–12, Ages 14–17)
Counselors-in-Training (CITs) develop valuable leadership skills as they assist with program creation for younger campers. See page 8.

NEW!

SLIDING SCALE PRICING
Mass Audubon is committed to ensuring that every family that wants their child to experience summer camp should have the opportunity to do so. A sliding scale model helps us work toward that goal through an easy and dependable process for families. To learn more, see page 11 and visit massaudubon.org/camps.

After-Camp Program
Campers can enjoy free play, create a fun craft, go for a nature walk, or play games. Options will vary each day.
3:00–5:30 pm, ages 4–14
Two-week
Nature Camp
Entering Pre-K–Grade 8, Ages 4–13

HANDS-ON NATURE
Explore Drumlin Farm’s wild habitats and farm and the connections between them through hands-on activities like gardening and farm chores, as well as outdoor exploration, nature walks, games, and reflection time. Each day centers on a different nature or farm animal theme. *No camp on Monday, July 4.
Seekers  
Entering Pre-K–Kindergarten, Ages 4–5  
Use your senses to discover the secrets of the farm and wildlife sanctuary. Seekers will have quiet time each day to relax and recharge.  
Campers must be 4 by June 1.

Trackers  
Entering Grade 1, Age 6  
Follow clues left by animals large and small in our farm, fields, forests, and meadows. Discover the animal residents of Drumlin Farm, from tiny caterpillars to our biggest cow.  
*Please note: you will have the option to register for either Field Trackers or Forest Trackers. The curriculum for both groups is the same, but based on capacity, these are two separate camp cohorts.

Explorers  
Entering Grade 2, Age 7  
Explore the homes and habitats of the sanctuary’s wild animals, from farm to forest to pond. Discover Drumlin Farm’s diverse habitats and why different plants and animals live where they do.

Naturalists  
Entering Grade 3, Age 8  
Grab a magnifying lens and a field guide, and practice being a naturalist. Learn how to identify plants and animals, perform basic science experiments, and examine natural cycles.

Farmers  
Entering Grade 4, Age 9  
Experience the life of a farmer as you complete farm chores, harvest crops in the fields, and learn about the journey of food as it travels from the farm to our tables.

Biologists  
Entering Grades 4–5, Ages 9–10  
Be a Drumlin Farm scientist as you catch wild specimens in our fields and ponds, perform experiments to enhance your understanding of the natural world, and discover the natural history of Drumlin Farm. This program focuses on nature and science rather than farm activities.

Stewards  
Entering Grades 5–6, Ages 10–11  
Explore our fields and forests as people did hundreds of years ago. Learn about how our interdependent relationship with the land has changed over time and across cultures through historical tools, land stewardship projects, and wildlife observation. End the session with an overnight campout at Drumlin Farm.  
*This program focuses on land use history rather than farm activities.

Apprentices  
Entering Grades 6–8, Ages 11–13  
Get hands-on with the farming practices and natural habitats of Drumlin Farm. Discover why sustainable, locally grown food is important to a healthy ecosystem and how organic farms rely on natural cycles to produce food. End the session with an overnight campout on the drumlin.

On-site overnights take place on the second Thursday of the session. Camp will begin at 8:30 am on Thursday and end at 9:30 am on Friday. Drumlin Farm provides tents, dinner, and breakfast for all campers.

Voyagers  
Entering Grades 7–8, Ages 12–13  
Day Trips: Monday & Tuesday: 8:30 am–3:00 pm  
Overnight Trips: Drop-off at 8:30 am Wednesday–Pick-up at 3:00 pm Friday  
Follow the rock walls that traverse forests and fields. Search for signs of vanished wetlands replaced by urban development. Investigate new wildlife habitats carved through neighborhoods as you discover the amazing nature of New England and the ways humans have left their mark on the landscape. Explore nearby areas on day trips, then deepen your observations on three-day, two-night camping trips (Select Group A or B for different trip locations). Drumlin Farm Camp provides allergen-free meals and tents.

Session 2*  
Day Trips: July 11, 12, 18 & 19  
Camping Trips: July 13–15, July 20–22, Group A: Explore New Hampshire Group B: Adventure on Cape Cod  
Session 3*  
Day Trips: July 25 & 26, August 1 & 2  
Camping Trips: July 27–29, August 3–5  
Group A: Discover Connecticut Group B: Trek the Berkshires  
*The Voyagers program is co-led by Mass Audubon’s Habitat Nature Camp and Drumlin Farm Camp. Sessions 1 and 4 will be based out of Habitat Education Center in Belmont, while Sessions 2 and 3 will be based out of Drumlin Farm Wildlife Sanctuary in Lincoln. Families are welcome to sign up for sessions at either or both locations. Visit massaudubon.org/habitatcamp for additional Voyager sessions.
One-week Theme Camps
Entering Pre-K–Grade 8, Ages 4–13

PROGRAM DETAILS

CURIOSITY CLUB
Drop-off  8:45–9:00 am
Pick-up  1:00–1:15 pm

NATURE BUILDERS | ART OUTDOORS
Drop-off  8:30–8:45 am
Pick-up  3:00–3:15 pm
CURIOSITY CLUB
Entering Pre-K–K, Ages 4–5
Weekly sessions June 20–August 12*
Learn, laugh, and connect with nature and other campers! This half-day program nurtures our youngest campers through play, discovery, and sensory exploration. Educational nature activities provide structure for investigations while games, crafts, and animal ambassador visits develop connections that last a lifetime.
Campers must be age 4 by June 1. This program takes place at our preschool building around the corner from Drumlin Farm and will have limited to no time on the farmyard.
*No camp on Monday, July 4.

NEW! Geology Rocks!
July 11–15
Unearth the secrets of soils, rocks, and minerals in this exploration of the land around us. Find out how hills and volcanos form, explore crystal structures, and design your own creation inspired by the wonderful world of geology.

NEW! Climate Activists
July 18–22
Become a climate activist! Find out how climate change affects different habitats, as well as human and animal communities, and design your own project to take action for the climate.

Nature’s Superheroes
July 25–29
Flight, body armor, flexibility, and super speed: these are just a few of the incredible adaptations you’ll find in nature. Discover the superpowers of native plants and animals, and design your own superhero based on their special skills.

NATURE BUILDERS
Entering Grades 2–3, Ages 7–8
Weekly sessions June 27–August 12*
Grab your nature journal, sharpen your senses, and get ready to explore how nature has influenced human design. Each week, we visit habitats, test theories, and run hands-on experiments to uncover how the natural world is built. At the week’s end, share an experiment or creation of your own with your fellow campers at the Nature Builder’s Invention Convention. These programs focus on STEM learning in nature and will have limited to no time on the farmyard.
*No camp on Monday, July 4.

Cumulo-Nimbus 2000
June 27–July 1
Find out how to read the clouds, predict the weather, and understand the difference between weather and climate. Produce and film your own weather report.

Farmer’s Challenge
July 5–8*
How can we help our farmers? Learn about the challenges farmers face and design an invention our farmers can use in the fields and the barns.
*This session runs 4 days from Tuesday–Friday.

NEW! Geology Rocks!
July 11–15
Unearth the secrets of soils, rocks, and minerals in this exploration of the land around us. Find out how hills and volcanos form, explore crystal structures, and design your own creation inspired by the wonderful world of geology.

NEW! Climate Activists
July 18–22
Become a climate activist! Find out how climate change affects different habitats, as well as human and animal communities, and design your own project to take action for the climate.

NEW! Feathered Friends
August 1–5
Discover the fascinating world of birds! Find out how birds—from falcons to finches—have adapted to different habitats, and get up close with some of the avian residents of Drumlin Farm.

Life Aquatic
August 8–12
Uncover the adaptations of aquatic mammals, amphibians, reptiles, and invertebrates in our ecosystems, and discover how humans have borrowed from them to travel on—and through—water.

ART OUTDOORS
Entering Pre-K–Grade 8, Ages 4–13
August 15–19
Get inspired by nature and let your creativity thrive as we explore the artistic side of the outdoors. Find the beauty in pinecones, leaves, and flowers and create art both on and off the pages of your journal with the chance to display your work for all of camp to see. Campers will be divided into groups by age and grade level.

NEW! Feathered Friends
August 1–5
Discover the fascinating world of birds! Find out how birds—from falcons to finches—have adapted to different habitats, and get up close with some of the avian residents of Drumlin Farm.
One-week or Three-day

Farm Theme Camps
Entering Pre-K–Grade 8

FARMYARD FROLICS
Session 1: June 20–24  |  Session 2: August 8–12
Entering Grades Pre-K–8, Ages 4–13
Mary-Camp: August 22–24
Entering Pre-K-Grade 5, Ages 4–10

Dig into the dirt and experience the life of a farmer during this exciting week of hands-on farm activities! Each day will focus on a different farm animal. Meet our livestock, learn about their different roles on the farm, and complete farm chores. Along the way, sing songs, play games, and make crafts. Campers will be divided into groups by age and grade level.

FARM TREKKERS
Week 1: June 27–July 1  |  Week 3: July 11–15  |  Week 5: July 25–29
Grades 6–8, Ages 11–13
Week 2: July 4–8  |  Week 4: July 18–22  |  Week 6: August 1–5
Grades 4–5, Ages 9–10

Farm Trekkers is a collaborative camp program co-led by Mass Audubon’s Boston Nature Center and Drumlin Farm Wildlife Sanctuary camp staff. Each week, 10 Boston-area and 10 Lincoln-area children join together for a camp experience focused around food and farming. Care for the farm animals (cows, sheep, goats, pigs, and chickens), explore Drumlin Farm and the Boston Nature Center, work in the crops fields and gardens, and taste food you’ve gathered together. Transportation will be provided.

PROGRAM DETAILS
Monday–Friday
8:30 am–3:00 pm
Drop-off   8:30–8:45 am
Pick-up    3:00–3:15 pm

“Thanks for making my daughter’s first camp experience amazing! She came home singing songs and talking about all the great activities. She still loves showing people how to milk a cow properly!”

—2021 Camp Parent
TEEN PROGRAMS

ENVIRONMENTAL LEADERSHIP FOR TEENS (ELT)

Entering Grades 9–12, Ages 14–17

Jump-start your climate activism skills in this two-week environmental leadership camp. Alongside your peers, learn how to identify areas that are vulnerable to the effects of climate change, locate resources to address those vulnerabilities, and become an advocate for climate justice. You’ll participate in service projects around the sanctuary, and see what climate action looks like at Mass Audubon.

At the end of the session, we’ll help you set goals to take on a climate action project in your community. Join your peers for a virtual meeting at summer’s end to share progress and collaborate on projects.

Program Details

Monday–Friday 8:30 am–3:00 pm
Drop-off 8:30–8:45 am
Pick-up 3:00–3:15 pm

Session 1 June 27–July 8*
Session 4 August 8–19**

Agricultural Activism at Drumlin Farm

Get your hands dirty as you learn about food production and how different types of agriculture and livestock care can impact our environment and wildlife. Create an action plan to work towards more equitable and environmentally friendly food systems in Massachusetts.

*No camp on Monday, July 4

**The ELT program will take place at all three of Mass Audubon’s Metro West nature camps and each sanctuary will feature a different theme. Visit our website for more details on ELT sessions at Broadmoor Nature Camp in Natick, and Habitat Nature Camp in Belmont.
Develop your leadership skills by working alongside Drumlín Farm Camp counselors and sharing your love and knowledge of nature with younger campers. Each session, you’ll be assigned to work with an age group, enabling you to develop leadership skills and bonds with campers as you assist with camp programming. Staff will help you develop your individual teaching and leadership styles as you create new lessons and assist with games, songs, crafts, and wacky camp fun.

In addition to being a great résumé builder, hours spent volunteering may count toward community service requirements (varies by town).

CITs develop skills including:
- Problem-solving
- Organization & group management
- Leadership
- Listening & communication
- Safety awareness
- Team-building

CIT Training
June 21–22 or June 23–24

During the mandatory CIT training, you’ll learn about child development, safety, and best practices for assisting camp groups. Plus, we’ll have a community-building campfire and s’mores!

Application & Commitment
Our CIT program is open by application only. If you are interested in participating, please tell us more about your experience and interests by filling out an application at massaudubon.org/drumlincamp.

A one-session commitment is required to participate.

“...The kids always come away transformed by the relationships they develop with their group leaders. Moreover, it really thrills me to see how eager they are to convey information about the natural world.”

—2021 Camp Parent
OUR EDUCATORS
Drumlin Farm Camp staff are dedicated and mature educators, naturalists, and students who are looking for more than “just a summer job”. They have experience working with youth, a passion for nature and farming, and a deep commitment to sharing that connection with children. Camp educators foster a caring, fun, and emotionally and physically safe environment to create a cohesive and enjoyable experience for campers. All staff undergo an extensive interview process, reference and background checks, are CPR and first aid certified, and receive training in child development, natural history, environmental education best practices, and health and safety procedures.

TRAINING
Counselors are trained in child development and supervision, health and safety procedures, natural history, farm animal care, environmental education best practices, and COVID-19 safety protocols. All are CPR and first aid certified and have undergone background and reference checks. In addition, we have a licensed nurse at Drumlin Farm, access to an on-call doctor, and EMS services within one mile.

LEADERSHIP TEAM
Camp Director Meghan Haslam (she/her) and Assistant Camp Director Chloe Briskin (they/them), bring a combined 25+ years of experience with camp, outdoor education, and nature-based education programs. They are both passionate about exploring nature, caring for the land we inhabit, and all things camp!

Mass Audubon requires that all staff, regardless of their work location, disclose their vaccination status. Proof of vaccination status is required immediately upon hire.

“\nYou all are truly the standard of camps. I am beyond grateful our kiddos get to experience this amazing staff and camp each summer. Thank you for all you do.\n”

–2021 Camp Parent
REGISTRATION INFORMATION

TO REGISTER FOR CAMP
Visit massaudubon.org/drumlincamp
Call 781-259-2244

REGISTRATION CONFIRMATION
A confirmation letter/email containing important documents and information will be sent once your camper’s registration has been processed.

DEPOSIT
A nonrefundable deposit is required to register for camp. The deposit will be applied to your camp tuition and cannot be transferred to another camper, family, or camp location. The deposit is $100 for all full day 1 and 2-week camps, and $50 for half-day and 3-day camps and CITs. If registering after May 2, payment in full is required (unless a payment plan has been established with the Camp Director).

REFUND POLICY
A full refund, minus the nonrefundable deposit, is provided to camp families who cancel in writing on or before May 2. After May 2, no refund is available. Deposits are not transferable, and refunds are not given for participant dismissal, failure to attend, absence, or sick days. If we must cancel a session, you will receive a full refund.

MEMBERSHIP & DISCOUNTS
Mass Audubon members at the Family level or above receive a discounted rate. To qualify, your membership must be current through your camper’s last session, and you must be the parent, grandparent, or legal guardian of the camper being enrolled. Membership can be purchased or renewed at the time of registration.

IMPORTANT DEADLINES
All camp forms, waivers, and the balance of your camp tuition are due by May 2.

If registering after May 2, payment in full is required and a specific camp form deadline will be set for you. A camper cannot attend camp and their spot is not guaranteed until all forms, waivers, and payments are completed (or a payment plan has been established). A fee of $25 per camper will be charged for incomplete or late forms and waivers.

CAMPER REQUIREMENTS
Campers are expected to be able to follow all COVID-19 safety protocols, to be determined by the start of camp based on the latest guidelines from the Massachusetts Department of Public Health. Visit massaudubon.org/camps for the latest information about COVID-19 safety at Mass Audubon Camps.

All campers must follow stated behavior expectations and safety rules. To ensure a successful camp experience, please discuss any pertinent information regarding your child’s needs with the Camp Director. We strive to make camp a great experience for all, and we can accommodate on a case-by-case basis. The Camp Director reserves the right to dismiss a camper when, in their judgment, the camper’s behavior interferes with the rights of others or violates the camp’s safety and behavior policies. In such cases no refunds will be provided. If you have any questions regarding your child’s ability to participate in our camp program, please contact the Camp Director.

CAMP LICENSE
Our camp complies with the regulations of the Massachusetts Department of Public Health (105 CMR 430) and is licensed by the Lincoln Board of Health.

ACA ACCREDITATION
We are proud to be accredited by the American Camp Association. Developed exclusively for the camp industry, this nationally recognized program focuses on program quality, health and safety, management, and camp operations.

CAMP POLICY REQUESTS
You may request copies of our background check, health care, discipline, bullying, and grievance policies at any time.

BUDDY REQUESTS
You can indicate on your registration form if you would like your camper to be placed with a friend of the same age. One buddy request per camper will be honored when possible. Both campers must be the same age, and both must request each other. All buddy requests must be made in writing at least one week prior to the first day of camp. We are unable to accommodate buddy requests on the first day of camp.

MORE NATURE CAMP FUN
For even more Mass Audubon Nature Camp adventures in the Metro West region, check out Broadmoor Nature Camp in Natick at massaudubon.org/broadmoorcamp and Habitat Nature Camp in Belmont at massaudubon.org/habitatcamp.
CAMPER SCHOLARSHIPS

We believe connection with the natural world should be available to all. If finances are getting in the way of a summer at Drumlin Farm Camp, financial assistance is available based on demonstrated financial need and available funds. Scholarships are limited to one session per child; however, all applications are considered and will be accepted on a rolling basis. Payment plan options are also available. Please visit massaudubon.org/campforms to download a scholarship application.

SLIDING SCALE PRICING

Under the sliding scale model, every family will register for camp at a tuition rate based on their annual gross income. At registration, you will have the opportunity to select the pricing that best fits your family’s gross income bracket. You will be asked to upload income verification documentation at a later time if you selected Tiers 1–4. Registrants at Tier 5 are not required to provide income verification. A deposit is due at the time of registration; the final balance and all paperwork are due by May 2, 2022. If cost is still a barrier under the tiered structure, financial assistance (in the form of scholarships) is also available.

Email us at drumlinfarmcamp@massaudubon.org

MORE FOR MEMBERS

Mass Audubon membership benefits don’t end when the summer’s over; Membership includes year-round free admission to our statewide network of wildlife sanctuaries, where the whole family can explore and enjoy the outdoors. Members also enjoy great savings on nature programs and gift shop purchases. Learn more at massaudubon.org/membership.
Vacation Week Programs!

Entering Pre-K–Grade 5
Turn out-of-school time into out-of-doors time at our Vacation Week programs in February and April. Experience Drumlin Farm in a whole new way as you learn about what goes on behind the scenes during winter and spring.

February Vacation Week
February 22–25
Single Day Options: Tuesday–Friday, 9:00 am–3:00 pm

April Vacation Week
April 19–22
Single Day Options: Tuesday–Friday, 9:00 am–3:00 pm

For details and to register, go to massaudubon.org/drumlinvacationweek
Or call 781-259-2244

There’s more to explore at Wildwood, Mass Audubon’s overnight camp in New Hampshire:

• Overnight Camp, ages 7–14
• Day Camp, ages 6–11
• Teen Adventure Trips, ages 14–17
• Environmental Leadership for Teens, ages 15–17
• Family Camp, all ages!

Visit massaudubon.org/wildwood or call 866-627-2267 to learn more.

Mass Audubon is the largest nature-based conservation organization in New England. Founded in 1896 by two women who fought for the protection of birds, Mass Audubon carries on their legacy by focusing on the greatest challenges facing the environment today: the loss of biodiversity, inequitable access to nature, and climate change.

With the help of our 140,000 members and supporters, we protect wildlife, conserve and restore resilient land, advocate for impactful environmental policies, offer nationally recognized education programs for adults and children, and provide endless opportunities to experience the outdoors at our wildlife sanctuaries. Explore, find inspiration, and take action at massaudubon.org.

*These sessions will be offered at other Mass Audubon sanctuaries in the Metro West area. See massaudubon.org/habitatcamp and massaudubon.org/broadmoorcamp for details.

We believe connection with the natural world should be available to all. If finances are getting in the way of a summer at Drumlin Farm Camp, see page 11.
