**SUPERBOWL OF
BIRDING XV**

Saturday, January 27, 2018
Snow date: Sunday, January 28
5 a.m. to 5 p.m.

Winter is a wonderful time to bird in northeastern Massachusetts and southeastern New Hampshire. In celebration of this season, the Joppa Flats Education Center is hosting the *Superbowl of Birding XV*.

This is a unique competition to find the greatest number of species and to earn the greatest number of points based on the rarity of the birds recorded. **The Zeiss Joppa Cup** is awarded to the team that collects the most points by the end of the specified 12-hour birding day. Strategy and planning are essential in order to win this competition.

The event consists of activities targeted for all levels of birders. Expert birders can compete for a number of awards, including the Zeiss Joppa Cup, Essex County Award, or Rockingham County Award. Teams with young birders 18 years old or younger can vie for the Seekers Award. The Fledgling Award encourages young families to participate.

In Superbowl XIV, the Joppa Cup was won by the Flea Flickers team with 212 points. The Director's Award went to the Blue-gray Passcatchers with 90 species. Highlights included Greater White-fronted Goose, Redhead, and Common Yellowthroat.
