Mass Audubon Family Memberships

All families who have children enrolled in 2025-2026 school year are required to have a current Mass Audubon family membership by the start of the school year.

School Year Calendar

Our school year runs early September 2025 through early June 2026. Specific start and end dates as well as holidays and vacation week schedules will be provided in draft form prior to payment of the deposit and finalized in our Family Handbook in the Summer of 2025.

Pre-enrollment visit

Each Mass Audubon preschool provides a unique, nature-based experience. As such, we request that every enrolling family visit their chosen program prior to accepting a spot for their child. This ensures that families have a chance to ask questions and familiarize themselves with the specialized nature of the program.

Tuition Deposits

Once notified of a spot for your child, you will receive a payment link and a non-refundable deposit must be collected when a family accepts enrollment in the program. The amount of the non-refundable deposit will be equal to one month of the child's base tuition. If the child stays in the program for the duration of the school year, the non-refundable deposit is applied to the final month's tuition payment. Note: a child is not considered enrolled in the program until we have received this deposit.

To Apply: Scan and email the application form to irnpreschool@massaudubon.org. Please do not email financial aid forms. For identity and safety assurances, e-mail submissions of financial aid forms are not accepted.

Mail or bring financial aid forms to Ipswich River Nature Preschool, 346 Grapevine Road, Wenham, MA. Phone: 978-237-0108.
