Mass Audubon’s Joppa Flats
Imagine, Sing, & Learn to Go!
Winter Programs for Preschoolers

Imagine, Sing, & Learn programs are just the right mix of learning and fun for the active, curious, and creative preschooler. We come to you for an educational 60 minute program where your students will be engaged, active, and having so much fun they won't realize how much they are learning!

Each Imagine, Sing, & Learn to Go! program:
- Is 60 minutes in length, child-centered, designed for ages 3-5 and limited to 16 students
- Could include interactive role play, storytelling, live animals, songs or dramatic play
- Includes vocabulary and reading lists, coloring pages, a fun fact sheet, and a follow-up art and craft project for the classroom teacher.

Available Themes
- Arctic Animals
- Ocean Animals
- Amazing Eagles
- Wake Up, it’s Night!
- Animals in Winter
- The World of Penguins
- Backyard Birds
- All about Owls
- Paws & Claws: Tracks!
- Beach Detectives

Booking Information
For more information, please visit our website. To register, please contact Lisa Hutchings, School & Youth Education Coordinator at the Joppa Flats Education Center by calling 978-462-9998 or by email: lhutchings@massaudubon.org.

Programs should be reserved with a minimum of two weeks’ notice. There is a minimum of two programs per day. The program fee is $105 per program. If driving distance is more than 15 miles, there is a fee of $0.50 per mile.

I've attended countless in-school programs with Mass Audubon's Joppa Flats and I've never been anything but thrilled. They are hands on, educational sessions that the children just love, (teachers too). I would highly recommend them!
