

Celebrate Your Birthday at Moose Hill

Moose Hill offers birthday party programs for children turning 4 to 12 years old.

Your birthday party will begin with an hour-long natural history program (see themes below) led by a Moose Hill naturalist, who will guide you through activities and outdoor exploration. This will be followed by an hour of private use of the program space to continue your celebration under your own supervision.

For more information, or to schedule a party, please contact Patti Austin at 781-784-5691 x8103 or email paustin@massaudubon.org.
