

Marsh Mapping

Directions: Record the following natural features on your map:

- | | |
|-----------------------------|------------------------------|
| Natural Features | Human Impact |
| -Different vegetation types | -Houses, roads, parking lots |
| -Wildlife | -Ditches, culverts (pipes) |
| -Water | -Litter |

Create a key on your map to clarify the meanings of each symbol you use

KEY:

I T₁ Vegetation transect

① Fish trap

☏ Set of wells

Sets of wells along transect lines are marked only with well numbers; 1.1, 2.1, 3.1, etc. They are not marked with well symbols.
