

### Marsh Mapping

NAME: \_\_\_\_\_

Directions: Record the following on your map:

Natural Features

- Different vegetation types
- Wildlife
- Water

Human Impact

- Houses, rods, parking lots
- Ditches, culverts (pipes)
- Litter

Create a key on your map to indicate the meaning of symbols you are using

**KEY:**

-   
 Vegetation Transect
-   
 Fish Trap
-   
 Set of Wells

Sets of wells along transect lines are marked only with well numbers; 1.1, 2.1, 3.1, etc. They are not marked with well symbols.
