

Marsh Mapping

NAME _____

Directions: Record the following natural features on your map:

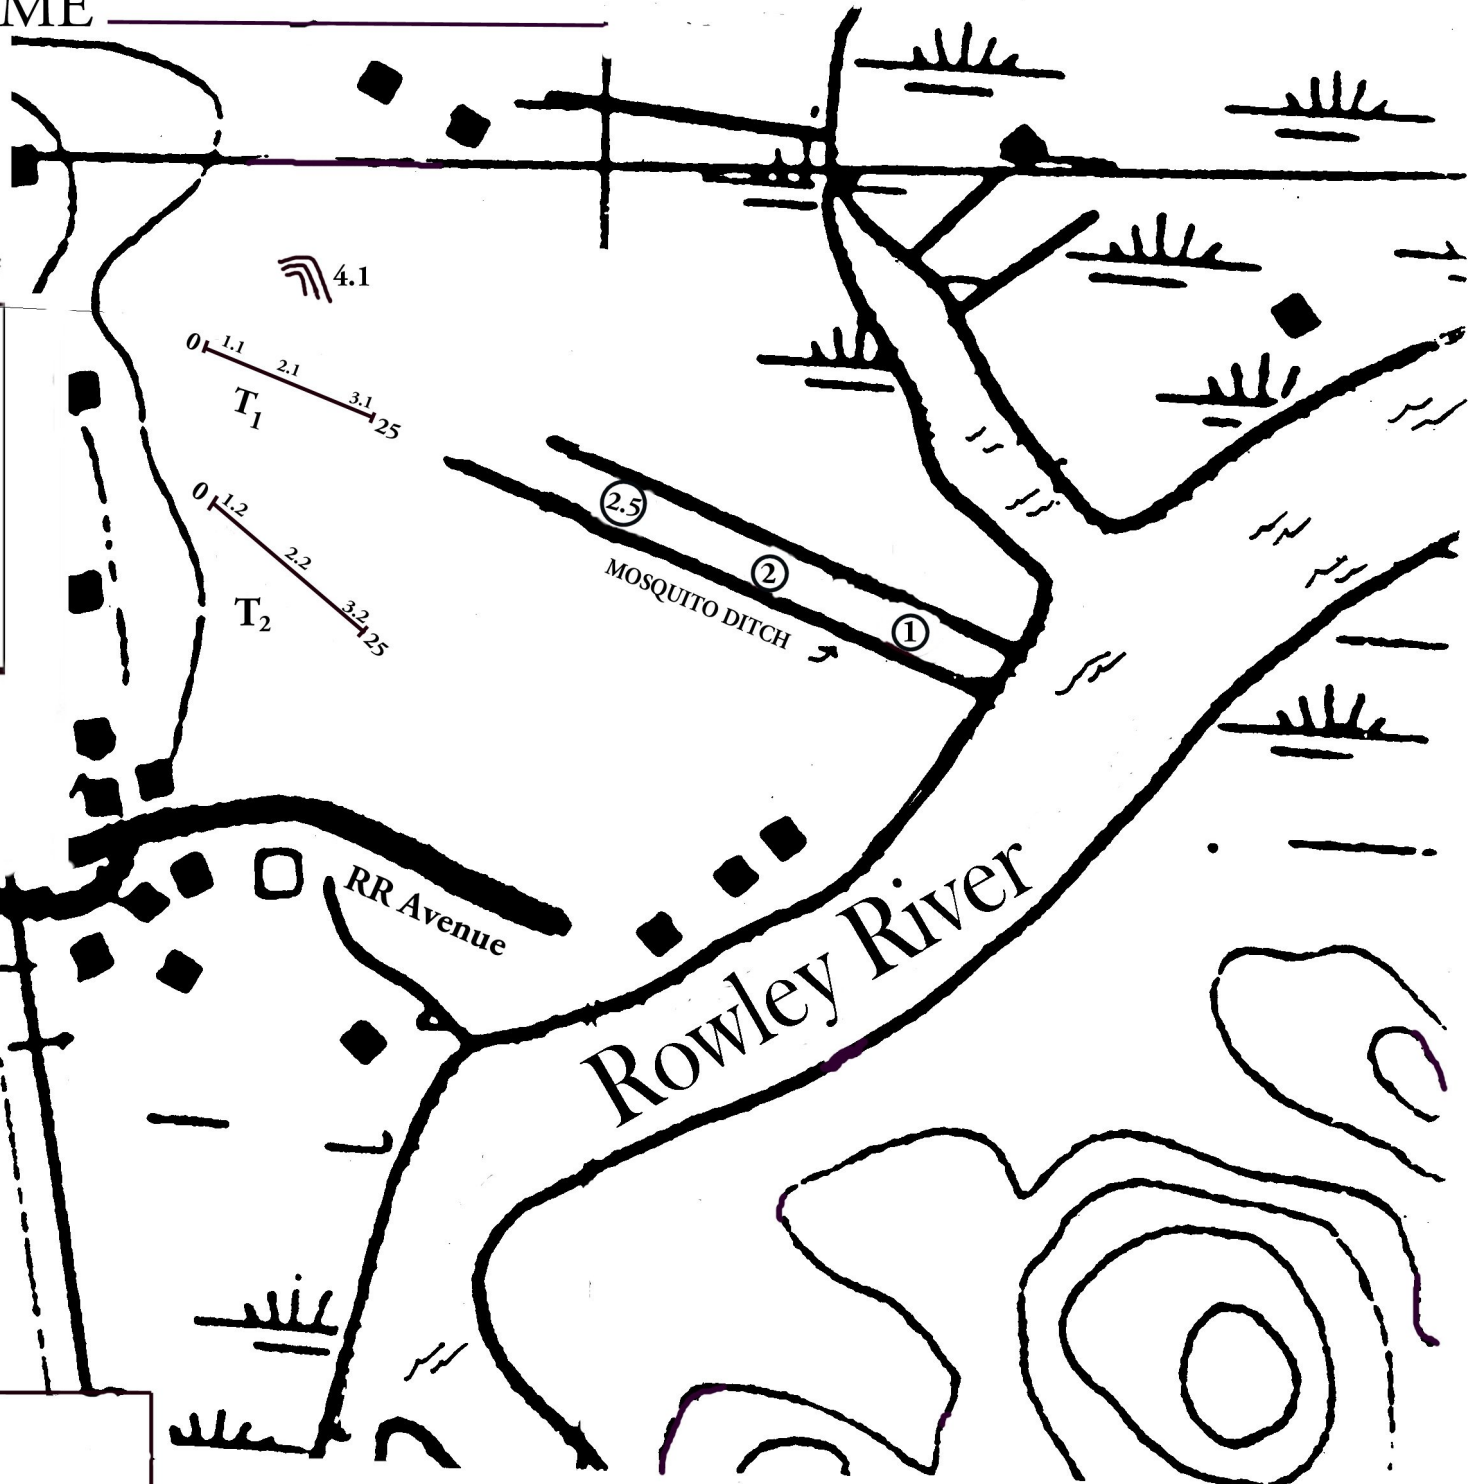

- | | |
|-----------------------------|------------------------------|
| Natural Features | Human Impact |
| -Different vegetation types | -Houses, roads, parking lots |
| -Wildlife | -Ditches, culverts (pipes) |
| -Water | -Litter |

Create a key on your map to clarify the meanings of each symbol you use

KEY:

- | | | |
|---|---|---|
|  |  |  |
| Vegetation Transect | Fish Trap | Set of Wells |

Sets of wells along transect lines are marked only with well numbers; 1.1, 2.1, 3.1, etc. They are not marked with well symbols.
